**ANDHRA PRADESH – DISSENT NOTE TO BE PUBLISHED****(3)-Karimnagar (SC), (4)-Nizamabad, (5)-Zaheerabad and (6)-Medak are interlinked.**

The Delimitation Commission has proposed (20)-Metapalli, (21)-Jagtial Assembly Constituencies in (4)-Nizamabad Parliamentary Constituency both are very close to Karimnagar Assembly Constituency and are existing in Karimnagar Parliamentary Constituency. (20)-Metapalli and 921)-Jagtial Assembly Constituencies should be retained in Karimnagar Parliamentary Constituency. (14)-Banswada and (15)-Jukkal Assembly Constituencies are nearer to the (17)-Nizamabad Assembly Constituency and are already existing in (4)-Nizamabad Parliamentary Constituency. Subsequently changes to (5)-Medak and (6)-Zaheerabad Parliamentary Constituencies are inevitable.

**(5)-Zahirabad Lok Sabha seat (Dissent).**

Revised proposed of the Constituency with the following Assembly Constituencies: -

- |    |                     |                |
|----|---------------------|----------------|
| a) | (39)-Sangareddy     |                |
| b) | (41)-Tupran         |                |
| c) | (37)-Narsapur       | Medak District |
| d) | (40)-Patancheru     |                |
| e) | (35)-Narayankhed    |                |
| f) | (38)-Zahirabad (SC) |                |
| g) | (36)-Andole (SC)    |                |

**(6)-Medak Lok Sabha Seat: -**

**Revised proposed Constituencies as follows (Dissent) :**

- |    |                 |   |   |
|----|-----------------|---|---|
| a) | (31)-huzurabad  | - | Karimnagar District                         |
| b) | (32)-Husnabad   | - | Which are now proposed in 3-Karimnagar P.C. |
| c) | (33)-Siddipet   |   |   |
| d) | (34)-Medak      |   |   |
| e) | (42)-Gajwal     |   | Medak District                              |
| f) | (16)-Yellareddy |   |   |
| g) | (17)-Kamareddy  |   |   |

**N.B: Yellareddy and Kamareddy** Assembly Constituencies are proposed by the Commission in Zahirabad (5) Lok Sabha seat, which are against the principles of Communication and Contiguity of guidelines of the Commission.

All Constituencies are Medak District only. Atleast one Lok Sabha seat should formulated from each District.

**(11)-Mahabubnagar and (12)-Nagarkurnool Parliamentary Constituencies are interlinked.**

(75)-Jedcherla Assembly Constituency, (84)-Shadnagar Assembly Constituencies are is to be deleted from (11)-Mahabubnagar Parliamentary Constituency and include in (12)-Nagarkurnool Parliamentary Constituency. The said 2 Constituencies are in existing Nagarkurnool Parliamentary Constituency. Consequently (78)-Wanaparthy, (79)-Gadwal Assembly Constituency and add to (11)-Mahabubnagar in place of (75 & 84) Assembly Constituencies.

By adjustment of these two Assembly Constituency's in Nagarkurnool can be formed as follows:

**N.B. Revised proposal by way of Dissent as follows**

**(11)-Mahabubnagar Constituency:-**

- (a) (129)-Palakonda (ST) Assembly to be deleted (20)-Vizayanagaram Lok Sabha seat and add to (18)-Araku Parliament seat.
- (b) (146)-Madugula Assembly, which is seat, scheduled is Araku. Parliament which is ST Parliament seat may be deleted and add to Anakapalu (22) Parliament seat in place of 150 Pendurthy Assembly constituency.

**(30)-Guntur, (31)-Narasaraopet, (32)-Baptla (SC), (33)-Ongole Parliamentary Constituencies are interlinked: -**

1) The Delimitation Commission proposed the following Assembly Constituencies 1. (222)-Darsi, 2. (227)-Ongole, 3. (229)-Kondepalli (SC), 4. (230)-Markapuram, 5. (231)-Giddalur, 6. (232)-Kanigiri and 7. (221)-Yerragondapalem in **(33)-Ongole Parliamentary Constituency** with a total population of 18,80,962. In this connection we would like to bring to your kind notice that **(226)-Santhanuthalapadu (SC) Assembly Constituency** which is included in **(32)-Baptla Parliamentary Constituency** is situated around Ongole Assembly Constituency. Hence, (226)-Santhanuthalapadu (SC) Assembly Constituency can not be excluded from Ongole Parliamentary Constituency to fulfil guidelines of the Delimitation Commission i.e. Contiguity, public Convenience and Communication. In addition the people belongs to all the 4 mandals of (2260)-Santhanuthalapadu Assembly Constituency i.e. 1) S.N. Padu, 2) Maddipadu, 3) Naguluppalapadu and 4) Chimakurthi mandals have to come to Ongole for all practical purposes like Administration, Marketing etc.,

2) While deleting (226)-S.N.Padu from (32)-Baptla (SC) Parliamentary Constituency (221)-Yerragondapalem which is proposed has to be included in (31)-Narasaraopet Parliamentary Constituency while deleting from Ongole Lok Sabha.

3) While deleting (221)-Yerragondapalem Assembly Constituency from Ongole and adding to 31-Narasaraopet Parliamentary Constituency, consequently (215)-Chilakauripeta Assembly Constituency which is an existing Assembly Constituency in Guntur Parliamentary Constituency is to be retained in Guntur Parliamentary Constituency only.

4) The re-constituted (207)-Ponnuru Assembly Constituency now proposed to include in (30)-Guntur Parliamentary Constituency is to be deleted and to be added (32)-Baptla (SC) Parliamentary Constituency and which is already an existing Assembly Constituency of (32)-Baptla Parliamentary Constituency by deleting (226)-Santhanuthalapadu (SC) Assembly Constituency.

**N.B. Revised proposal by way of Dissent as follows:****(30)-Guntur Constituency: -**

- a. (205)-Tadikonda
- b. (206)-Mangalagiri,

| g. (226)- Sanathanuthalapadu |                  |

**(36)-Ananthapur and (37)-Hindupur Parliamentary Constituencies. Both are interlinked.**

In (36)-Ananthapur Parliamentary Constituency (274)- Rappthadu Assembly Constituency is included which is a new Assembly Constituency is proposed to include in (37)-Hindupur Parliamentary Constituency. (271)-Singanamala (SC) Assembly Constituency existing in Ananthapur Parliamentary Constituency may be retained by deleting from Hindupur Parliamentary Constituency for the reason that (271)-Singanamala (SC) Assembly Constituency is very close and adjacent to Ananthapur Assembly Constituency within the radius of 5 to 10 Kms and where as Hindupur is more than 100 Kms from Singanamala and the people Singanamala Assembly Constituency should go through Ananthapur Assembly Constituency only.

The proposal is with in guideline of Commission of contiguity and public convenience.

**N.B. Revised proposal by way of Dissent as follows:****(36)-Ananthapur Constituency: -**

- |                       |                     |

**(40)-Tirupathi (SC) and (42)-Chittoor (SC) Parliamentary Constituencies proposed by the Commission are interlinked ;**

1) The agreed principal of the Commissioner to constitute 3 Lok Sabha seats for SCs for Coastal Region, (1) from Rayalaseema Region and (3) from Telengana Region is to be strictly adhered to. In fact (40)-Tirupathi (SC) Parliamentary Constituency and (42)-Chittoor (SC) Parliamentary Constituency are situated in Rayalaseema Region only. With result of this 2 Parliamentary Constituencies meant for SCs are carved out in Coastal Andhra. Hence, we request the Commission should consider constituting third SC Parliamentary Constituency from Coastal Andhra with Gudur Headquarters with the following Assembly Constituencies:

(238)-Sarvepalli/Rapur, (239)-Gudur (SC), (240)-Sullurpeta (SC), (241)-Venkatagiri, (287)-Srikalahasthi, (288)-Satyaveedu (SC) and (289)-Nagiri, with the highest population of SCs (26.74)% in the State.

2. The proposal of Tirupathi (SC) Parliamentary Constituency proposed by the Commission is to be abolished and the (286)-Tirupathi Assembly Constituency to be included in (42)-Chittoor (SC) Parliamentary Constituency for the reason mentioned above.

3. The name of the Parliamentary Constituency may be named after either as **(42)-Chittoor or Tirupathi (SC) Parliamentary Constituency**. Thus the ratio of allocation of SC reserved Parliamentary Constituencies as decided by the Commission can be fulfilled in the State.

4. (285)-Chandragiri Assembly Constituency and (286)-Tirupathi AC are inter connected and necessarily both Assembly Constituency is to be included in one Parliamentary Constituency i.e. (42)-Chittoor (SC) Parliamentary Constituency. Where as the Commission proposed to include Tirupathi AC in Tirupathi Parliamentary Constituency and Chandragiri Assembly Constituency which is now proposed by the Commission in place of Tirumala Assembly Constituency (which is originally proposed by the Delimitation Commission in its working paper).

5. Thus **(40-Gudur)** Lok Sabha and 9420-Chittoor/Tirupathi (SC) Parliamentary Constituency in place of Tirupathi (SC) may be considered as follows.

6. **(40-Gudur) (SC):** - (238)-Sarvepalli/Rapur, (239)-Gudur (SC), (240)-Sullurpeta (SC), (241)-Venkatagiri, (287)-Srikalahasthi, (288)-Satyaveedu (SC) and (289)- Nagiri with a total population of 18,95,088 and the SC percentage of 26.74.

**(42)-Chittoor or Tirupathi (SC):** - (285)-Chandragiri, (286)-Tirupathi, (290)-G.D.Nellore (SC), (291)-Chittoor, (292)-Puthalapattu (SC), (293)-Palamaneru, (294)-Kuppam with a total population of 18,76,616 and the percentage of SC is 19.65%.

**N.B: Revised proposal by way of Dissent as follows**

**(40)-Gudur (SC) Constituency (Newly proposed in place of Tirupathi): -**

- |                            |   |                   |

| b. (239)-Gudur,            | - | Nellore District  |
| c. (240)-Sullurpeta,       | - | Nellore District  |

**ANDHRA PRADESH – DISSENT NOTE TO BE PUBLISHED****02 – DISTRICT : NIZAMABAD**

**(11) Armur and (19) Balakonda Assembly Constituencies are interlinked.**

The Delimitation Commission has proposed (19) Balakonda AC with (1) Balakonda, (2) Morthad, (3) Kammarapalli, (4) Bheemgal and (5) Velpur Mandals. The existing Balakonda Assembly Constituency consists of Balkonda and parts of Morthad, Nandipet, Armoor and Kammarpally Mandals.

After the submergence of the Nandipet Mandal Villages in the backwaters of Sri Ram Sagar Project, the people of Nandipet were rehabilitated on elevated reaches of the same area, closer to Balkonda. People of both the Mandals are presently connected by a road link and the same is being improved into a major road to continue their economic and social activities.

In the light of these developments it will be justified to retain the Nandipet Mandal in the (19) Balkonda Assembly Constituency with existing Balkonda and the entire Morthad, Kammarpally Mandals which are within the permissible population limits and the Mandals Bheemgal and Velpur may be retained in the Armoor Assembly Constituency while deleting from 19-Balkonda assembly Constituency.

**04 – DISTRICT : MEDAK**

**(37)-Narsapur and (41)-Thoopran Assembly Constituencies are interlinked.** As per the proposals of the Delimitation Commission (37)- Narsapur Assembly Constituency is proposed with the following Mandals. Narsapur, Kulcharam, Hathnoora, Yeldurthi and Pulkal Mandals. Yeldurthy Mandal is close to Thoopran and Shivampet Mandal is existing in (37)- Narsapur AC. Yeldurthy may be added to (41)- Thoopran AC while deleting Shivampet Mandal. There is a river between Pulkal and Narsapur. The people of Pulkal to reach Narsapur via Andhole or Sangareddy, both are another Constituency headquarters. Necessarily **Pulkal Mandal** may be added to (36)- Andhole (SC) Assembly Constituency. Munipalle Mandal is to be added to (39)-Sangareddy Assembly Constituency.

**07 – DISTRICT : MAHBUBNAGAR**

**(76) Devarakadara and (78) Wanaparthy Assembly Constituencies are interlinked.** The Delimitation Commission proposed the following Mandals to (78) Wanaparthy Assembly Constituency with 1) Wanaparthy municipality and Mandal, 2) Gopalpet, 3) Pebbair and 4) Kothakota Mandals. While (76) Devarakadara AC proposed with **Devarakadara, Peddamandadi, Ghanpur, Boothpur, Addakal and Chinnachintakunta Mandals**. For the following reasons the Commission may be considered to interchange the Mandals between Assembly Constituencies of (76 and 78).

1. Peddamandadi Mandal is being closely adjacent to Wanaparthy Municipality which is the Constituency head quarter and also revenue division head quarter. The first village of this Mandal is within the radius of 5 kms from Wanaparthy town. For every activity they come to Wanaparthy town. Hence, it may be included in Wanaparthy.
2. Ghanpur Mandal is also in close proximity to Wanaparthy town the Constituency head quarter and revenue divisional head quarter. All walks of people have to come to Wanaparthy municipality for day-to-day activity including business. It is adjacent to Wanaparthy Mandal and as well as Peddamandadi Mandal. The first village of this Mandal falls under the radius of 10 KMs from Wanaparthy town. The above proposal as per the guidelines Delimitation Commission relating to contiguity, communication and public convenience. It may be included in Wanaparthy.
3. The proposal of the Commission in the proposed Devarkonda Assembly Constituency (76) carved with Peddamandadi and Ghanpur Mandals along with other Mandals, which are far away from Devarkadara proposed Constituency head quarters. The people of the above mentioned two Mandals have to travel via Mahaboobnagar district head quarters to reach proposed Devarkadara Constituency. Hence, to be deleted from Devarkadara.
4. If Peddamandadi and Ghanpur Mandals are included in the Wanaparthy Assembly Constituency (78) as mentioned above the Kothakota Mandal has to be excluded from Wanaparthy Assembly Constituency and include in the proposed Devarkadara Assembly Constituency (76) in place of Peddamandadi and Ghanpur Mandals.

**07 – DISTRICT : MAHBUBNAGAR**

5. Kothakota town and Mandal is one of the largest populated in Mahaboobnagar district and located on National Highway No: 7.

Hence, the population of Kothakota Mandal (which is proposed by us in Devarakhadra Constituency) is largest than Devarakhadra. Hence, it may be named after on Kothakota Assembly Constituency.

6. **(80) Alampur Assembly Constituency** :- leej Mandal may be deleted and Pebbair Mandal may be added. This proposal rectifies the geographical problems.

**14 – DISTRICT : EAST GODAVARI****2) 159-Kakinada Rural, 160-Kakinada city assembly Constituencies are interlinked**

The distribution of wards is not proper in these Constituencies. We are proposing the following distribution.

**159-Kakinada Rural**

Kakinada Muncipal Corporation Ward No 1 to 4by deliting from 160-Kakinada City. Wards to 1 to 4 are very close to the other villages of Kakinada Rural.

### 160-Kakinada City

Kakinada Municipal Corporation Ward No 5 to 70 by delimiting from wards 66 to 70 from (159) Kakinada Rural taking into consideration the geographical consideration.

### 14. DISTRICT: WEST GODAVARI

**The Assembly Constituencies of 186 – Polavaram (ST), 187 – Chintalapudi (SC), 185 – Gopalapuram (SC), 173 – Kovvur (SC) are interlinked.**

The proposal of the Commission to include T Narasapuram Mandal in 186 - Polavaram (ST) is very ill conceived, as the T Narasapuram and Buttayagudem Mandals are not interconnected. To reach Polavaram the people have to cross Jangareddigudem Mandal which is another Constituency, that is also separated by the Yerrakalava reservoir from T Narasapuram Mandal. Hence T Narasapuram Mandal should be included in 187 – Chintalapudi (SC). The above changes will be within the permissible population limit.

Subsequently, Jangareddigudem Mandal can be included in 187 - Polavaram (ST) assembly Constituency. Koyyalagudem Mandal proposed in 187 – Polavaram (ST) is very easily accessible to Nallajarla and can be included in that Constituency 174.

The Polavaram Constituency can be retained as ST if Koyyalagudem Mandal are removed and Jangareddigudem is added. This will cover the whole Scheduled Area in West Godavari district. Gopalapuram Mandal can be added to 173 – Kovvur(SC) and 174 – AC may be renamed as Nallajarla Constituency. The same was proposed in the commission's working paper.

### 10) **KHAMMAM DISTRICT :-**

#### **(110) Pinapaka Assembly Constituency**

(a) Delimitation Commission proposed Pinapaka (ST) Assembly Constituency with

**(1) Pinapaka (2) Manuguru (3) Aswapuram (4) Gundala and (5) Palvoncha Mandals.**

(b) In the proposed **Pinapaka Assembly Constituency**, excepting **Palvoncha** all other Mandals are predominantly by Tribal Population. The interest of Tribals will be better protected if all predominantly Tribal Mandals are put together so that an integrated Tribal development could take place Assembly Constituency. Palvoncha Mandal at a distance of 90 KMs From **Pinapaka** which is inconvenient to the public.

Hence Palvoncha Mandal may be deleted and added to 117-Kothagudem Assembly Constituency. Add **Tekulapally Mandal** which is dominated by Tribal population of **78.10%** to 110-Pinapaka Assembly Constituency.

We propose **Pinapaka Assembly Constituency** (1) Pinapaka (2) Manguru (3) Aswapuram (4) Gundala and (5) Tekulapally with a Total population of 216328. Thus **Tekulapally Mandal** proposed in **Kothagudem Assembly Constituency** may be deleted and add to **(110) Pinapaka Assembly Constituency**. **Palvoncha Mandal** may be deleted from (110) Pinapaka Assembly Constituency and add to **(117)**.

There will be a slight decrease in the Pinapaka Constituency population limit which will get corrected once the Polavaram project is completed as two Mandals (Kunavaram and V.R.Puram) will get fully submerged and two Mandals (Bhadrachalam Assembly Constituency and Chintur) will get partly submerged. The resulting re-settlement of the population from these four Mandals to the Pinapaka Assembly Constituency will correct the excess population in Bhadrachalam Assembly Constituency as well as decrease population in Pinapaka Assembly Constituency. The Polavaram project works are in progress and the people of submerging area are going to the western bank of Gadavari River for the protection of their life style and life tradition.

**4.(117) Kothagudem Assembly Constituency:-**

- (a) The existing **Kothagudem Assembly Constituency** almost full Mandals of (1) **Kothagudam** (2) **Palvoncah** and parts of (3) **Chandrugonda** and (4) **Penubally** Mandals.
- (b) As per the Commission proposal (1) **Kothagudem** (2) **Tekulapally** and (3) **Julurupad** Mandals in **(117) Kothagudem Assembly Constituency** is not **justified** as it is not convenient to the public i.e. communication and Administrative point of view.
- (c) **Kothagudem Municipality** and **Palvoncha Municipality** are contiguous **(Twin towns)** and Industrially linked and Non Tribal Population dominated places Assembly Constituency.
- (d) **(117) Kothagudem Assembly Constituency** proposed by the Commission, excepting Kothagudam all other Mandals are predominantly have Tribal population. Kothagudem has predominantly population whose occupation is mostly either Industrial or Industrial related Assembly Constituency activities and **Tribal population is very much less.** The interest and culture of the Tribal will be better protected if all predominantly Tribal areas i.e. **Tekulapally** and **Julurpad Mandals** are put together with another Tribal dominated Constituency. So that an integrated Tribal development could take place Assembly Constituency.
- (e) Hence we proposed to delete Tekulapally and Julurpad Mandals from the **(117) Kothagudem Assembly Constituency** as draft proposal of the Commission. We proposed to add Tekulapally Mandal to **(110) Pinapaka Assembly Constituency** and **Julurupad Mandal** to **(115) Konijerla/Enkuru Assembly Constituency.**

We propose **(117) Kothagudem Assembly Constituency** with **Kothagudem** and **Palvoncah Mandals.** The proposals is as per the guidelines of the Delimitation Commission.

**5. (113) Palair (114) Madhira, (112) Khammam, (115) Wyra Assembly Constituency are interlinked.**

Mudigonda Mandal have been proposed in **(114) Madhira** Assembly Constituency. But there is not direct connectivity between Madhira and Mudigonda Mandals as there is MENERU RIVER flowing between these two Mandals and there is no Road Bridge on this river. So Mudigonda Mandal people have to travel through Nelakondapally Mandal, Khammam Urban & Rural Mandal and Wyra Mandals to reach Madhira Assembly Constituency i.e. they have to cross (112) Khammam, (113) Palair and (115) Wyra proposed Assembly Constituencies.

Hence we request to to add Mudigonga Mandal into 113-Palair Assembly Constituency, which is most appropriate.

The Commission proposed **Madhira Assembly Constituency** with (1) Madhira (2) Yerruplam (3) Bonakal (4) Chintakani (5) Muduigonda Mandals.

Khammam Urban Mandal excluding Khammam Municipality should be separated and add to (1) Enkuru, (2) Julurpad, (3) Konijerla and (4) Tallada Mandals which are proposed in **(115) (Wyra) Enkuru Assembly Constituency** with a total population of **271300**, out of ST. population is 21.65% as Wyra Mandal is added to Madhira Constituency.

The Commission proposed **Khammam Assembly Constituency** with Khammam Urban Mandal only. **Khammam Urban Mandal** with **Khammam Municipality, Khammam Rural Mandal** and **Chintakani Mandals in existing** position in **Khammam Assembly Constituency**.

Khammam Urban Mandal includes Khammam Municipality and surrounding villages on Eastern and North Eastern villages to the town whereas Khammam Rural Mandal is all together a different Mandal situated on the Westend side of Khammam town. Khammam Rural which is the western side of the Khammam town with a total population of 73291 should be merged with the population of Khammam Municipality of 159544 population thus population is the total of 232835 as one Constituency which is an existing constituency.

#### 8. (111) Yellandu Assembly Constituency

The Commission proposed **Yellandu Assembly Constituency** with (1) Yellandu (2) Bayyaram (3) Garla (4) Singreni Mandals. We proposed to add only Kamepally Mandal to draft proposal of Delimitation Commission for geographical and administrative convenience to the public. We propose **Yellandu Assembly Constituency** ST Reserved Constituency as in draft proposals with 43.76% of ST population.

#### **(15) Krishna District : (199) – Satyanarayanapuram and (200) –Vijayawada Patamata Assembly Constituencies :**

a) The Delimitation Commission proposed Vijayawada Municipal Corporation wards 41 & 75 in (200) – Vijayawada Patamata Constituency. Delete these two wards from Vijayawada Patamata Assembly and add wards 44 and 49 on geographical point of view.

b) while wards 41 and 75 is deleted from (200) Vijayawada Patamata AC the ward No:41 may be included in (199) Satyanarayanapuram AC and ward No:75 may be considered to include in (198) Bhavanipuram Assembly Constituency.

c) The above proposal is on the representation of local public representatives and it on the guidelines of Delimitation Commission.

#### **17 – DISTRICT : GUNTUR**

- 1) Existing Assembly Constituencies 19, proposed assembly Constituencies are 17
- 2) **Duggirala assembly Constituency** originally proposed in the working paper circulated to the associate members, subsequently abolished in the draft proposals. It is unjust and not reasonable
- 3) Elimination of **Kuchinapudi** assembly Constituency is not disputed. Creation of (207) Ponnur assembly Constituency with Ponnur municipality and rural, Chebrolu Mandal, Peddakakani Mandal is most unreasonable against the principles ie communication, contiguity, and Public Convenience under delimitation guidelines. In between Peddakakani Mandal and Chebrolu Mandal there are Guntur city as well as Guntur rural Mandals now proposed as part of Prathipadu Constituency.
- 4) The people of Peddakakani Mandal have to cross Guntur to reach Ponnur that is far away from Ponnur. **Peddakakani Mandal** should be necessarily include in (206) Mangalagiri assembly Constituency, while Peddakakani Mandal is very adjacent to 206 Mangalagiri Assembly Constituency. Mangalagiri Assembly it may form Mangalagiri Municipality & Mandal, Tadepalli Mandal and Peddakakani Mandals.

- 5) a. The proposal by the Commission that Peddakakani Mandal to be included in (207) Ponnur Assembly Constituency is against the very basic guidelines of Commission.
- b) (207) Ponnur Assembly Constituency is to be carved out with the following Mandals. 1) Ponnur municipality and Mandal, 2) Kakumanu Mandal and 3) Peddanandipadu Mandals.
- c) The proposal of the Commission to formulate (212) Prathipadu assembly Constituency as reserved for schedule caste is most unreasonable and not in conformity to the guidelines of the Delimitation commission.
- 6) The proposal have to be reconsidered in the following manner. Prathipadu Mandal, Guntur rural Mandal, Vatticherukuru Mandal and Chebrolu Mandal for Prathipadu Assembly Constituency.

### **17 – DISTRICT : GUNTUR**

- 7) a.) Delete Battiprolu Mandal in (209) Repalle Assembly Constituency and add Cherukpalli Mandal in its place to Repalle.
- b) Delete Cherukpalli Mandal from (208) Vemuru Assembly Constituency and add Battirprolu Mandal from (209) Repalle Assembly Constituency.

### **8) (205) Tadikonda(SC) Assembly Constituency, 204 Pedakurapadu Assembly Constituency, (217) Sattenapalli assembly Constituency are interlinked.**

**a) (205) Tadikonda (SC) Assembly Constituency** : The Tadikonda Assembly Constituency proposed by the Commission adding Phirangipuram Mandal which is far away from Tadikonda and in between Phirangipuram and Tadikonda the villages of Guntur rural Mandal are situated. Hence there is no connection between Tadikonda and Phirangipuram Mandals.

**(b)** Phirangipuram Mandal is existing in Sattenapalli AC. Hence, Phirangipuram Mandal is to be include to (217) Sattenapalli AC in place of Rajupalem Mandal. The proposal of delimitation commission to include Amaravathi Mandal in (204) Pedakurapadu assembly Constituency is not convenient to the public and Amaravathi Mandal is close compactness and contiguity with Tadikonda, where there is highway road from Tadikonda to Amaravathi.

**(c)** Amaravathi should not be convenient to include in Pedakurapadu Assembly Constituency as proposed by the delimitation commission. **Rajupalem Mandal** which is at present in Peddakurapadu Assembly Constituency may be retained in **(204) Peddakurapadu** Assembly Constituency in place of **Amaravathi Mandal**.

The proposals is with in the guidelines of the Delimitation Commission.

### **9) (213)-Guntur North, (214)-Guntur South assembly Constituencies are interlinked**

The distribution of wards is not proper in these Constituencies. We are proposing the following distribution.

**(213)-Guntur North :-** Guntur Muncipal Corporation Ward No 1 to 8 and 15.

**(214)-Guntur South :-** Guntur Muncipal Corporation Ward No 9 to 14 and 16 to 28.

The above wards are contiguous. Tenali Railway track taken as boundary and divide the Constituencies where as the Delimitation Commission divided it only on the basis of city roads, which is not at all convenient to the public and geographically not in contiguity. The above proposed wards are almost in the existing Constituencies of Guntur –I and II.

**18 – DISTRICT : PRAKASAM**

- 1) **The Assembly Constituencies of Yerragondapalem, Giddaluru, Markapuram and Darsi Constituencies are interlinked.**
- 2) The proposal of the Commission to include Ardhaveedu Mandal in 221 Yerragondapalem assembly Constituency is quite contrary to the very basic guidelines of the delimitation commission. Ardhaveedu Mandal is very close affinity and accessible to Giddaluru. The people of Ardhaveedu to reach Yerragondapalem has to come across 231 Giddaluru, 230 Markapuram assembly Constituency's. Further there is reserve forest between Peddaraveedu and Ardhaveedu Mandals. Hence, Ardhaveedu should necessarily include in 231 Giddaluru assembly Constituency. By deleting Ardhaveedu from Yerragondapalem assembly Constituency, the Yerragondapalem Constituency is within the permissible population limit, with a population of 2,34,037.
- 3) Cumbum Mandal should be included in Markapuram assembly Constituency in place of Podili Mandal. Podili Mandal at present in existing Constituency of 222-Darsi assembly Constituency. Podili to Darsi is only 10 KM whereas Podili to Markapuram is at a distance of 40 KM. Donakonda Mandal now proposed by the Commission in **Darsi** assembly Constituency **may be included in Markapuram** assembly Constituency. These above proposals are in conformity to the guidelines of the delimitation commission and act is enacted in the Parliament.
- 4) **225 Chirala and 223 Parchuru assembly Constituencies are interlinked.** Karamchedu Mandal now proposed in 223 Parchuru assembly Constituency may be included in 225 Chirala assembly Constituency, bearing 1/3<sup>rd</sup> of the population of Karamchedu Mandal is in existing Constituency of (225) Chirala assembly Constituency. People of Karamchedu Mandal should go daily to Chirala for their administrative, marketing purposes. It is nearer to Chirala than Parchuru. Hence, (225) Chirala Assembly Constituency may be constituted with following Mandals. Chirala municipality, rural, Vetapalem Mandal and Karamchedu Mandals. The total population of the proposed 225 Chirala assembly Constituency is 2,70,242 which is within the population limit. Hence, Karamchedu **Mandal may be deleted from 223 Parchuru** assembly Constituency and **adding to 223 Chirala** assembly Constituency

**18 – DISTRICT : PRAKASAM**

- 5) While deleting **Karamchedu Mandal from 223 Parchuru** assembly Constituency **the Parchuru** assembly Constituency population is 2,38,642 that is in limit. The above changes will be within the permissible population limits.
- 6) Singarayakonda Mandal was proposed in 229-Kondepi assembly Constituency may be added to 228-Kandukur in place of Voletivaripalem as they have close affinity.

**Dissent note on 19- Nellore District Assembly Constituencies :**

The proposals of the Delimitation Commission have to be reconsidered of Assembly Constituencies for the following reasons.

- 1) Existing number of Assembly Constituencies in **NELLORE DISTRICT is 11. One** Assembly Constituency is reduced. The proposal have to be formulated keeping in view of the population, 10 Assembly Constituencies have carved out. The proposal of the Delimitation Commission abolishing existing Alluru is not in dispute.

- 2) But abolishing of Rapur Assembly Constituency in addition to Allur is objectionable and Rapur Assembly Constituency is to be retained either in the shape of 238.Rapur / Sarvepalli.
- 3) The proposals of certain Assembly Constituencies are not in conformity with the Guidelines of Delimitation Commission. For example **Indukuripet Mandal** now proposed in (235) Kovur Assembly Constituency. Indukuripet Mandal is on other side of Penna River. There is no communication between (235) Kovur Assembly Constituency and Indukuripet Mandal. Indukuripet Mandal. May be included in (237)-Nellore Rural Assembly Constituency. In view of the above change other inevitable changes of Mandals become necessary. Hence following change of Mandals in Assembly Constituencies as follows.

4) **Indukuripet Mandal** may be deleted from (235) Kovur Assembly Constituency Buchireddypalem which is now proposed by Delimitation Commission in (234) Atmakur Assembly Constituency is to be included in (235) Kovur Assembly Constituency in place of Indukuripet Mandal while deleting Buchireddypalem Mandal from (234) Atmakur Assembly Constituency **Kaluvoya Mandal** is proposed in (241) Venkatagiri Constituency is to be included in (234) Atmakur Assembly Constituency by deleting from Venkatagiri Assembly Constituency.

5) **Thotapalligudur Mandal**, which is proposed in (238), Sarvepalli Assembly may be included in (237) Nellore rural Assembly Constituency that is very adjacent to Nellore Mandal and Municipal Corporation.

#### **19- Nellore District:-**

6) It is a fact that some Municipal Corporation wards are included in (237)-Nellore Rural Assembly Constituency While deleting **Thotapalligudur Mandal** deleting from (238) Sarvepalli Assembly Constituency, **Rapur Mandal** may be added to (238) Sarvepalli Assembly Constituency. It may be renamed as (238)-RAPUR or Sarvepalli, by changing the above Mandals Rapur is an existing Assembly Constituency but also a Mandal Head quarter where Sarvepalli is a very small village. We have submitted the same in our proposals.

7) In (241) **Venkatagiri Assembly Constituency** may be reconstituted with the following Mandals: **Venkatagiri, Balayapalle, Dakkili, Sydapuram, Ozili and Pellakur. Rapur and Kaluvoya Mandals** which are included in (241) Venkatagiri Assembly Constituency may be deleted. Ozili and Pellkur Mandals which are now proposed in Sullurpet assembly may be added to (241) Venkatagiri Assembly Constituency. **Chittamur Mandal** which is now proposed in (239) Gudur (SC) Assembly Constituency may be deleted and include in Sullurpet Assembly Constituency. The (239) Gudur (SC) Assembly Constituency may be constituted with the following Mandals:

- 1) Gudur including Municipality,
- 2) Chillakur,
- 3) Kota and
- 4) Vakadu.

8) **(236) Nellore City Assembly Constituency** may be constituted with the following wards of Nellore Municipal Corporation. From ward No.12 to Ward No.44, Buja Buja Nellore (OG) (part) W.No.47 and Nellore (Bit.1) (OG) Ward No.48. These wards are very contiguity and compact to the public.

**Where as (237)-Nellore Rural Assembly Constituency may be constituted with wards of Nellore Municipal Corporation from ward 1 to 11 and 45, 46, also Nellore Rural Mandal, Indukurpaet, Thotapalli Gudur Mandals which is convenient and with in the frame work of Guide lines of Delimitation Commission.**

#### **20 – DISTRICT: KADAPA**

Keeping in view of the guidelines as well as geographical conditions existing in the district like River, Forest and Hills on ground level. We the Associates Members proposed following changes in the draft proposals of the Delimitation Commission circulated to us.

**Details as follows :-**

(243) Badvel Assembly Constituency :- a) B.Koduru Mandal may be deleted and it may be added to (252) Mydukur Assembly Constituency in place of Chapadu Mandal. Brahmangari Matam Mandal also may be deleted and may be add to (252) Mydukur Assembly Constituency in addition.

b. Atlur Mandal now proposed by the Commission may be deleted from (244) Rayachoti Assembly Constituency and add to (243) Badvel Assembly Constituency.

C. Sidhout Mandal now proposed into (244) Rajampeta Assembly Constituency may be added to (243) Badvel Assembly Constituency.

d. (249) Kamalapuram Assembly Constituency : - Lakkireddipalli, Ramapuram Mandals now proposed by the Commission in Kamalapuram may be deleted and added to (247) Rayachoti Assembly Constituency.

By deleting Lakkireddipally, Ramapuram Mandals from Kamalapuram Assembly Constituency and Chapadu Mandal in Kamalapuram Constituency. Chapadu Mandal which is now proposed by Delimitation Commission is added to Kamalapuram.

e. from (247) Rayachoti Assembly Constituency T.Sundupalli Mandal may be deleted and added to (244) Rajampet Assembly Constituency.

f. (244) Rajampet Assembly Constituency :- Delete Siddout and Atlur Mandals from Rajampet and add T.Sundupalli Mandals to Rajampet while deleting from Rayachoti Assembly Constituency which is proposed by the Delimitation Commission.

The above changes are made with in the permissible population and without effecting reserved seats.

**21 – DISTRICT : KURNOOL**

**(254)- Srisailam Assembly Constituency:-** The Commission has proposed No. 254 Srisailam AC with the following Mandals. Srisailam Mandal, Atmakur Mandal, Velugode Mandal, Bandi Atmakur Mandal and Mahanandi Mandal. Mahanandi Mandal which is included in the present proposal is not at all connected with any other Mandals of the Assembly Constituency. The people of Mahanandi Mandal have to cross Nandyal Assembly Constituency to reach Srisailam, the proposed Assembly Constituency head quarters, which is far away, about 160 KM. Pamulapadu Mandal is proposed to be included in 255 Nandikotkur Assembly Constituency. **Pamulapadu Mandal** as it is in the existing Atmakur Assembly Constituency. It is in close affinity and adjacent to Atmakur Mandal. The people of Pamulapadu Mandal have to come to Atmakur Mandal for all practical purposes, which is head quarters of existing Atmakur Assembly Constituency.

Hence, the formation of 254 Srisailam Assembly Constituency may be considered with the following Mandals **Srisailam Mandal, Atmakur Mandal, Pamulapadu Mandal, Velugoda Mandal and Bandi Atmakur Mandal.**

**22 – DISTRICT : ANANTAPUR**

Inspite of no change in the number of Assembly Constituencies Anantapur district, the existing **(274) Nallamada Constituency is eliminated. But it should be retained.**

**(274) NALLAMADA ASSEMBLY CONSTITUENCY :-**

**(274)- Nallamada Assembly** Constituency may be considered with following Mandals. **Nallamada, Mudigubba, Bukkapatnam, Obuladevaracheruvu, Tanakal, Amadagur and N.P.Kunta.**

**(273) KALYANDURG ASSEMBLY CONSTITUENCY :-**

**(273) Kalyandurg** Assembly Constituency may be considered with the following Mandals. **Kalyandurg, Atmakur, Beluguppa, Brahmasamudram, Settur, Kundurpi** may be considered.

**(268) URAVAKONDA ASSEMBLY CONSTITUENCY :-**

Atmakur Mandal should be added. **Pamidi Mandal** may be added to 268 Uravakonda Assembly Constituency. Instead, the **Beluguppa Mandal** should be shifted to **(273) Kalyandurg** Assembly Constituency.

**(279) DHARMAVARAM ASSEMBLY CONSTITUENCY:-**

**(279) Dharmavaram** Assembly Constituency may be considered with the following Mandals. **Dharmavaram, Rappthadu, Yellanur, Bathalapalle and Tadimarri may be considered.****(277) PENUGONDA ASSEMBLY CONSTITUENCY :-**

**(277) Penugonda** Assembly Constituency may be considered with the following Mandals. **Penugonda, Chennekothapalle, Ramagiri, Roddam, Kambadur and Kanaganapalle.**

**(278)- PUTTAPARTHY ASSEMBLY CONSTITUENCY :-**

**(278)- Puttaparthi** Assembly Constituency may be considered with the following Mandals. **Puttaparthi, Kothacheruvu, Chilamathur, Gorantla and Somandepalli.**

**23 – DISTRICT : CHITTOOR :-**

Nindra Mandal is in (288) – Satyavedu Assembly Constituency may be deleted and added to (289)-Nagari Constituency in place of Narayanavanam Mandal. It may be retained in Satyavedu Constituency by vice versa.

Respected Sir,

Sub: **A.P Delimitation Proposals of Assembly Constituencies of Khammam District - Reconsideration – Request to Publish in News papers along with the proposals of the Delimitation Commission - Regarding**

1. We are herewith submitting the proposals of **Assembly Constituencies of Khammam District**. for **reconsideration** with full particulars of the population with SC & ST percentage to each mandal in all proposed constituencies on the basis of 2001 censuses and guidelines given by the Delimitation commission.

2. We proposed little alternations in **(110 ) Pinapaka (111) Yellandu (112) Khammam (113) Palair (114) Madhira (115) Wyra and (117) Kothgudem Assembly Constituencies.**

**3. (110)Pinapaka Assembly Constituency**

(a) The Commission proposed Pinapaka Assembly constituency with **(1) Pinapaka (2) Manuguru (3) Aswapuram (4) Gundala and (5) Palvoncha Mandals**

(b) In the proposed **Pinapaka Assembly constituency**, excepting **Palvoncha** all other mandals are predominantly by Tribal Population. The interest of Tribal will be better protected if all predominantly Tribal areas are put together so that an integrated Tribal development could take place.

© Palvoncha Mandal with its head quarters at Palvoncha is located at a distance of above 90 Kms. From **Pinapaka** which is inconvenient to the public.

Hence we proposed to add **Tekulapally mandal** which is dominated by Tribal population of **34335** with percentage **78.10 %** instead of **Palvoncah mandal**.

We propose **Pinapaka Assembly constituency** as ST constituency with 35.41 percentage of ST population and 94,839 population of ST with (1) Pinapaka (2) Manguru (3) Aswapruam (4) Gundala and (5) Tekulapally with a Total population of 216328.

Thus **Tekulapally Mandal** proposed in **Kothagudam Assembly Constituency** may be deleted and add to **(110) Pinapaka Assembly Constituency**. **Palovancha mandal** may be deleted from **(110) Pinapaka Assembly Constituency** and add to **( 117) Kothagudam Assembly Constituency**

**4. (117) Kothagudem Assembly constituency**

(a) The existing **Kothagudem Assembly constituency** with four mandals (1) **Kothagudam** (2) **Palvoncah** (3) **Chandrugonda** and (4) **Penubally** mandals. It has been split into **three Assembly constituencies** by the draft proposal of the Delimitation Commission.

(b) As per the Commission proposal (1) **Kothagudem** (2) **Tekulapally** and (3) **Julurupad** mandals in **(117) Kothagudem Assembly constituency** is not **justified** as it is not convenient to the public i.e communication and Administrative point of view.

© **Kothagudem Municipality** and **Palvoncha Municipality** are contiguous (**Twin towns**) and Industrially linked and **Non Tribal population** dominated places. If the twin towns and mandals are not merged in one **same constituency** the people of those Rural and urban area will face difficulty in all aspects.

(d) In the proposed **Kothagudem Assembly Constituency** proposed by the Commission, excepting Kothagudem all other mandals are predominantly have

Tribal population. Kothagudem has predominantly population whose occupation is mostly either Industrial or Industrial related activities and **Tribal population is very much less**. The interest and culture of the Tribal will be better protected if all predominantly Tribal areas i.e **Tekulapally** and **Julurpad mandals** are put together with another Tribal dominated constituency. So that an integrated Tribal development could take place.

(e) Hence we proposed to delete Tekulapally and Julurpad Mandals from the **Kothagudem Assembly constituency** as draft proposal of the Commission. We proposed to add Tekulapally mandal to **(110) Pinapaka Assembly constituency** and **Julurpad Mandal** to **(115) Enkuru Assembly constituency**.

We propose **(117) Kothagudem Assembly constituency** with **Kothagudem** and **Palvoncha Mandals** with a total population of **284012**, out of which S.C population of **48546** (17.09%) S.T population of 58800 ( 20.71% ).

The proposal is as per the guidelines of the Delimitation Commission.

Regarding **Kothagudem Assembly Constituency** the above mentioned reasons were already discussed in the meeting by the Associated members with the Delimitation commission and requested for the consideration of the above mentioned facts.

#### **5. (113) Palair Assembly Constituency**

(a) The proposals circulated by the Delimitation Commission is that Mudigonda Mandal which is now existing in **Palair Assembly constituency**. is included in

**Madhira Assembly Constituency**. In view of **Munneru River is situated** in between **Mudigonda** and **Chintakami** Mandals, there is no access and contiguity. Therefore we propose to retain **Mudigonda Mandal** in **Palair Assembly Constituency**, instead of Khammam Rural Mandal. Khammam rural mandal may be included in **(112) Khammam Assembly Constituency**.

(b) In the draft proposals **Palair Assembly Constituency** is proposed as O.C Constituency whereas we propose S.C Assembly Constituency with 22.4% of S.C population.

#### **6. (114) Madhira Assembly Constituency**

The commission proposed **Madhira Assembly Constituency** with (1) Madhira (2) Yerruplam (3) Bonakal (4) Chintakani and (5) Mduigonda mandals. In view of **Munneru River** between **Mudigonda** and **Chintakani mandals**, there is no access and continuity. Hence we propose to add **Wyra** mandal which is an existing mandal in Madhira Constituency in place of Mudigonda mandal. In view of the changes made Madhira Constituency Continues to be as S.C. Constituency with 26.61% of S.C. population

#### **7. (115) Wyra Assembly Constituency**

Khammam Urban Mandal excluding Khammam Municipality should be separated and add to (1) Enkuru, (2) Julurpad, (3) Konijerla and (4) Tallada mandals which are proposed in **(115) Enkuru Assembly Constituency (A new name is given)** with a total population of **271300**, out of ST. population is 21.65% as Wyra Mandal is added to Madhira Constituency.

Wyra Manadal which is proposed in **Wyra Constituency** by Delimitation Commission should be deleted and add to **(114) Madhira Assembly Constituency**, by deleting Wyra mandal from Wyra Constituency. We propose the Constituency renamed as **Enkur Assembly Constituency**.

#### **8. (111) Yellandu Assembly Constituency**

The Commission proposed **Yellandu Assembly Constituency** with (1) Yellandu (2) Bayyaram (3) Garla (4) Singreni mandals. We proposed to add only Kamepally mandal to draft proposal of Delimitation Commission for geographical and administrative convenience to the public. We propose **Yellandu Assembly Constituency** ST Reserved constituency as in draft proposal with 43.76% of ST Population.

#### **9. (112) Khammam Assembly Constituency**

The Commission proposed **Khammam Assembly Constituency** with Khammam urban mandal only. **Khammam urban mandal** with **Khamma Municipality**, **Khammam Rural** mandal and **Chintakani** mandals are in existing position in **Khammam Assembly Constituency**.

Khammam Urban Mandal includes Khammam Municipality and surrounding villages on Eastern and North Eastern villages to the town where as Khammam Rural Mandal is all together a different mandal situated on the Western side of Khammam town. Khammam Rural which is the Western side of the Khammam town with a total population of 73291 should be merged with the population of Khammam Municipality of 159544 population thus population is the total of 232835 as One Constituency which is an existing Constituency.

Yours sincerely,

Respected Sir,

Sub: **A.P Delimitation Proposals of Assembly Constituencies of Khammam Dsitrict - Reconsideration – Request to Publish in News papers along with the proposals of the Delimitation Commission - Regarding**

1. We are herewith submitting the proposals of **Assembly Constituencies of Khammam District**. For **reconsideration** with full particulars of the population with SC & ST percentage to each mandal in all proposed constituencies on the basis of 2001 censuses and guidelines given by the Delimitation commission.

2. We proposed little alternations in **(110) Pinapaka (111) Yellandu (112) Khammam (113) Palair (114) Madhira (115) Wyra and (117) Kothgudem Assembly Constituencies**.

**3. (110) Pinapaka Assembly Constituency**

**(a) The Commission proposed Pinapaka Assembly constituency with (1) Pinapaka (2) Manuguru (3) Aswapuram (4) Gundala and (5) Palvoncha Mandals**

**(b)** In the proposed **Pinapaka Assembly constituency**, excepting **Palvoncha** all other mandals are predominantly by Tribal Population. Thus **Tekulapally Mandal** proposed in **Kothagudam Assembly Constituency** may be deleted and add to **(110) Pinapaka Assembly Constituency**. **Palovancah mandal** may be deleted from **(110) Pinapaka Assembly Constituency** and add to **( 117) Kothagudam Assembly Constituency**

**4. (117) Kothagudem Assembly constituency**

**(a) The existing Kothagudem Assembly constituency** with four mandals **(1) Kothagudam (2) Palvoncah (3) Chandrugonda and (4) Penubally** mandals. It has been split into **three Assembly constituencies** by the draft proposal of the Delimitation Commission.

**(b) As per the Commission proposal (1) Kothagudem (2) Tekulapally and (3) Julurupad** mandals in **(117) Kothagudem Assembly constituency** is not **justified** as it is not convenient to the public i.e communication and Administrative point of view.

(e) Hence we proposed to delete Tekulapally and Julurpad Mandals from the **Kothagudem Assembly constituency** as draft proposal of the Commission. We proposed to add Tekulapally mandal to **(110) Pinapaka Assembly constituency** and **Julurpad Mandal** to **(115) Enkuru Assembly constituency**.

We propose **(117) Kothagudem Assembly constituency** with **Kothagudem and Palvoncah Mandals** with a total population of **284012**, out of which S.C population of **48546** (17.09%) S.T population of 58800 (20.71%).

The proposal is as per the guidelines of the Delimitation Commission.

Regarding **Kothagudem Assembly Constituency** the above mentioned reasons were already discussed in the meeting by the Associated members with the Delimitation commission and requested for the consideration of the above mentioned facts.

#### **5. (113) Palair Assembly Constituency**

(b) The proposals circulated by the Delimitation Commission is that Mudigonda Mandal which is now existing in **Palair Assembly constituency**. is included in

**Madhira Assembly Constituency**. In view of **Munneru River is situated** inbetween **Mudigonda and Chintakami Mandals**, there is no access and contiguity. Therefore we propose to retain **Mudigond Mandal** in **Palair Assembly Constituency**, instead of Khammam Rural Mandal. Khammam rural mandal may be included in **(112) Khammam Assembly Constituency**.

(b) In the draft proposals **Palair Assembly Constituency** is proposed as O.C Constituency whereas we propose S.C Assembly Constituency with 22.4% of S.C population.

#### **6. (114) Madhira Assembly Constituency**

The commission proposed **Madhira Assembly Constituency** with (1) Madhira (2) Yerruplam (3) Bonakal (4) Chintakani and (5) Mduigonda mandals. In view of **Munneru River** between **Mudigonda and Chintakani mandals**, there is no access and continuity. Hence we propose to add **Wyra** mandal, which is an existing mandal in Madhira Constituency in place of Mudigonda mandal. In view of the changes made Madhira Constituency Continues to be as S.C. Constituency with 26.61% of S.C. population

#### **7. (115) Wyra Assembly Constituency**

Khammam Urban Mandal excluding Khammam Municipality should be separated and add to (1) Enkuru, (2) Julurpad, (3) Konijerla and (4) Tallada mandals which are proposed in **(115) Enkuru Assembly Constituency (A new name is given)** with a total population of **271300**, out of ST. population is 21.65% as Wyra Mandal is added to Madhira Constituency.

Wyra Manadal which is proposed in **Wyra Constituency** by Delimitation Commission should be deleted and add to **(114) Madhira Assembly Constituency**, by deleting Wyra mandal from Wyra Constituency. We propose the Constituency renamed as **Enkur Assembly Constituency**.

#### **8. (111) Yellandu Assembly Constituency**

The Commission proposed **Yellandu Assembly Constituency** with (1) Yellandu (2) Bayyaram (3) Garla (4) Singreni mandals. We proposed to add only Kamepally mandal to draft proposal of Delimitation Commission for geographical and administrative convenience to the public. We propose **Yellandu Assembly Constituency** ST Reserved constituency as in draft proposal with 43.76% of ST Population.

#### **9. (112) Khammam Assembly Constituency**

The Commission proposed **Khammam Assembly Constituency** with Khammam urban mandal only. **Khammam urban mandal** with **Khamma Municipality**, **Khammam Rural** mandal and **Chintakani** mandals are in existing position in **Khammam Assembly Constituency**.

Khammam Urban Mandal includes Khammam Municipality and surrounding villages on Eastern and North Eastern villages to the town where as Khammam Rural Mandal is all together a different mandal situated on the Western side of Khammam town. Khammam Rural which is the Western side of the Khammam town with a total population of 73291 should be merged with the population of Khammam Municipality of 159544 population thus population is the total of 232835 as One Constituency which is an existing Constituency.

Yours sincerely,

**TELUGU DESAM**

State Office

N.T.R. Bhavan  
Road No.2, Banjara Hills  
HYDERABAD – 500033.

9<sup>th</sup> January, 2007.

Respected Justice Kuldip Singh ji,

Sub : **Delimitation of Constituencies – Andhra Pradesh State** – Draft proposals – Dissenting Proposals for publishing alongwith the Draft Proposals of the Commission – Reg.

Ref : Your letter No.282/AP/2006.Vol.IV dated 22<sup>nd</sup> December'06.

We are submitting herewith the following Dissenting Proposals for Assembly Segments and Parliamentary Segments for the State of Andhra Pradesh, for your kind consideration and with a request to publish along with the Draft Proposals of the Commission.

**HYDERABAD AND RANGA REDDY DISTRICTS**

In Hyderabad District, the Draft Proposal relating to the proposed Goshamahal Constituency is not in accordance with the guidelines and does not take into consideration the special features of Maharajgunj Constituency. The Maharajgunj Constituency has at present hardly 1,20,000 population, probably the smallest not only in Hyderabad but in Andhra Pradesh also. The depletion of population in this area since the last delimitation is due to the fact that it was once a central commercial business district and thickly populated originally. Most of the wholesale and other business institutions have shifted because of congestion and the number of residents living in the area has come down. The constituency has another special feature i.e., non-muslim minorities, religious and linguistic minorities like Rajputs, Marwadis, Maharashtrians and Sikhs predominantly inhabit this area. The Ward No.15 which is already in Maharajgunj and should have been retained in Goshamahal has been added on to Himayatnagar, increasing the population of Himayatnagar to 2,75,115. So, Ward No.15 which has only 28,561 should be retained in Goshamahal without any disturbance to Himayatnagar. This does not involve splitting of Ward No.15 at all.

Ward No.13 which has been split has been distributed between Bahadurpura, Karwan and Goshamahal Constituencies. Bahadurpura Constituency is on the southern side of River Musi whereas Ward No.13 is on the northern side of River Musi. Hence, Block No.2 & 3 of Ward No.13 has to be retained in Goshamahal alongwith Block No.1. Block No.1 & 2 of Ward No.20 which are adjacent and well connected by three bridges has to be added. The proposed Goshamahal would be as follows :-

**Goshamahal**

Ward No.13		
	Block 1	19244
	Block 2	31930
	Block 3	10506
Ward No.14		63417
Ward No.15		28561
Ward No.20		
	Block 1	6011
	Block 2	19083
Ward No.21		50294
<b>Grand Total</b>		<b>229046</b>

Consequently, Bahadurpura, Falaknuma Constituencies will undergo a small change on the following lines :-

### **BAHADURPURA**

### **NIZAMABAD DISTRICT**

Yellareddy Constituency is having a population of 2,80,723 as per the Draft Proposal and Armour and Jukkal have only 2,27,106 and 2,28,383. This variation can be corrected only if some Mandals which are far away are made part of the nearby constituency. For example in Yellareddy Constituency, Domakonda and Biknoor mandals are nearly 100 kms., away from Yellareddy and there is no justification for this. These may be deleted from Yellareddy Constituency and added to Kamareddy which is almost in the periphery of Kamareddy. Sadashivnagar Mandal from Kamareddy Constituency, Gandhari of Banswada Constituency may be included in Yellareddy, as was the case previously. This arrangement ensures continuity, convenience and is in accordance with the guidelines.

Consequently, Sirikonda mandal proposed in Kamareddy Constituency may be deleted and added to Nizamabad Rural Constituency and Maklur mandal deleted from Nizamabad Rural Constituency and added to Armour Constituency. This is done with a view to ensure geographical contiguity, communication, accessibility and convenience.

Our objections may be considered and delimitation modified accordingly. If these minor changes are made, it would ensure that the population is more or less nearer to the permitted average than now as indicated in the below statement.

\*It is submitted that the name of the proposed NIZAMABAD RURAL CONSTITUENCY may be considered and re-designated as DICHPALLY, as it was previously known.

If our dissent is considered, the revised proposal would read as follows :-

**VIZIANAGARAM DISTRICT**

In the Draft Proposal, Jami mandal is proposed in Gajapathinagaram (135). As Jami mandal is very near to Srungavarapukota A/c (138) (within 4 km radius) than Gajapathinagaram, which is 40 km away and the people of Jami mandal have to cross Srungavarapukota to reach Gajapathinagaram. The people of Jami are agitating for a change in the draft proposal and hence it is suggested that it should be included in Srungavarapukota instead of Gajapathinagaram, which is as per the guidelines, administration purpose and for the convenience of the people.

**EAST GODAVARI DISTRICT**

In the Draft Proposal, Tallarevu mandal is proposed in 51 Ramachandrapuram A/c where as Pamarru mandal is proposed in Mummidivaram A/c. Proposing the Pamarru mandal in Mummidivaram A/c is most inconvenient not only to the people of the mandal also to the Peoples Representatives. Geographically also, it is far away from Mummidivaram A/c. The River Godavari is running between the Pamarru mandal and the remaining Mummidivaram constituency. There

are three other mandals in between Pamarru mandal and the remaining Mummidivaram constituency on the other side. The distance between Pamarru mandal and the remaining Mummidivaram constituency is about 45 kms on Road Way. There is no direct bus facility between Pamarru mandal and to the Mummidivaram which is the head quarters of the constituency. The people of Pamarru mandal have to change a minimum of 4 buses on road way to reach Mummidivaram. Pamarru mandal is also just adjacent to Ramachandrapuram which is in a distance of 8 kms only. There are so many bus facilities from Ramachandrapuram RTC bus depot to several villages of Pamarru mandal.

On the other side, Tallarevu mandal which is included in Ramachandrapuram A/c is on the 214 National Highway which is running through Mummidivaram with a number of bus facilities. It is also connected to Mummidivaram A/c with a bridge on River Godavari. As it is not in accordance with the guidelines of the Delimitation and inconvenient for administration purposes and also to the people of Pamarru mandal, we suggest to favourably consider that Pamarru mandal is included in Ramachandrapuram A/c whereas Tallarevu mandal may be included in Mummidivaram constituency.

**PROPOSED RAMACHANDRAPURAM CONSTITUENCY**

**NELLORE DISTRICT**

In the Draft Proposal to the Nellore District District, there are many discrepancies in constituting some of the constituencies. People have to face a lot of inconvenience geographically and it will become difficult for them to seek administrative help as there is no contiguity in the constituency. To cite an example for this, Indukurpet mandal which is on the southern side of the 'Penna River' is included in the Kovur constituency which is on the northern side of the same river. There are so many such discrepancies. Keeping all such discrepancies in view, we are submitting a new proposal for your favourable consideration.

**17-GUNTUR DISTRICT****207-Ponnuru and 212-Prathipadu A/Cs**

In the Draft Proposal, two mandals in 2 A/Cs i.e., minor changes in 207-Ponnuru and 212-Prathipadu A/c is recommended. Ponnur A/c with Ponnur, Chebrolu, Peddakakani mandals is not properly constituted. There is no direct route between Ponnur and Peddakakani mandals as people of Peddakakani should travel via Guntur Mandal which is another A/c.

In spite of this, we request to include Peddakakani mandal in Prathipadu (SC) A/c by deleting Kakumanu mandal which is now proposed in 212-Prathipadu A/c. Existing also majority villages of Peddakakani mandal are in Prathipadu (SC) A/c. Kakumanu mandal fully existing in Ponnur A/c. Geographically and also as per the Commission guidelines, it is convenient to Ponnur A/c. This proposal will not effect any Reserved Constituencies and the same of 212-Prathipadu, 208-Vemuru and 205-Tadikonda will remain SC Reservation.

**Guntur Town**

The Draft Proposal of Guntur town dividing it as Guntur (North) and Guntur (South) is unjust and without following natural boundaries. A small lane of 20' wide is taken as boundary which will confuse the public. A Railway track is dividing the town into North and South naturally. North of Railway Track is North Guntur whereas South of Railway Track is South Guntur. Instead of this, the proposed boundary is taken along a small lane and road, dividing Guntur as East and West Guntur, which is unjust and unnatural. If the Guntur city is divided as Hyderabad i.e., Tenali Railway Track as boundary census ward no.1 to 8 and 15 as Guntur north and 9 to 14, 16 to 28 as Guntur South. Hence, it is proposed that Guntur is divided as North and South instead of East and West. The proposed suggestion showing Guntur (North) & Guntur (South) on map is enclosed herewith.

**WEST GODAVARI DISTRICT**

In the Draft Proposal to the West Godavari District, there are many discrepancies in constituting some of the constituencies. People have to face a lot of inconvenience geographically and it will become difficult for them to seek administrative help as there is no contiguity in the constituency. There are so many such discrepancies.

In the original re-organisation of Assembly Constituencies in West Godavari District provided to us, Polavaram Assembly Segment was named as Jangareddigudem and comprised of Jangareddyigudem Mandal, Koyyalagudem Mandal and Buttaigudem Mandal and Polavaram Mandal. Chintalapudi Constituency (SC) comprised of Chintalapudi Mandal, Lingapalem Mandal, Kamavarapukota Mandal, T. Narsapuram Mandal and Jeelugumelli Mandal.

To our surprise, the said two Assembly Constituencies have been notified in the Draft Notification changing the Mandals thereby by-passing the statutory norms of not deviating plus or minus 10% of the accepted population of the District population per constituency. Now, Polavaram has a deviation of minus 2.5% while Jangareddigudem in the original list given to us had plus 3.36% whereas in the case of Chintalapudi Segment original list, the deviation was plus 7.95% and in the draft published now has plus 13.82% exceeding the accepted norms of 10% plus or minus. The District average is 2,53,568 population per A/C. As per the Draft Notification, Chintalapudi (SC) has a population of 2,88,616, +13.82%. As per the norm of contiguity with communication facility, this is also not there. People from T. Narsapuram Mandal has to go via Jangareddigudem Mandal to Polavaram. Same is the case of Jangareddigudem (M). People to go to Chintalapudi have to go via T. Narsapuram Mandal. Hence, we request as follows :-

Constituency	Mandal Name	Population
<b>186-JANGAREDDIGUDEM</b>	Polavaram	43710

\*The DLC has not proposed to retain the Penugonda A/c and proposed the Achanta A/c consisting of Penugonda, Achanta, Peravalli mandals and part of Poduru mandal (7 villages). Hence the Achanta A/c may be proposed consisting of Penugonda, Achanta, Peravali, Poduru mandals to avoid splitting up of the mandals. Hence may be recommended.

\*Gangavaram mandal which is proposed by DLC is far away from the constituency and it is better to include 10 villages of Polacoderu mandal. The Akiveedu mandal has already been included in the Kalla A/c to maintain contiguity of the constituency.

Keeping all such discrepancies in view, we are submitting a new proposal as per attached annexure, for your favourable consideration.

### **NALGONDA DISTRICT**

In the Draft proposals of Delimitation of Constituencies released by the Commission, it is observed that Narkatpally mandal is included in Munugodu constituency apart from five other mandals. It is brought to your kind notice that **Narkatpally mandal** is topographically quite away from other mandals of the Munugodu constituency. Further, this mandal is very closely attached to the Nakrekal constituency. Not only this mandal is close to the Nakrekal constituency, this mandal was earlier part and parcel of Nakrekal Panchayathi Samithi. The people of this mandal feel convenient to reach Nakrekal instead of Munugodu constituency. Many of the villages of this mandal are attached to the other mandals of the Nakrekal constituency. Therefore, it is appropriate to request the Commission to detach this mandal from Munugodu constituency and to include in Nakrekal constituency.

In the similar way, **Chityal mandal** is wrongly included in Nakrekal constituency. In fact, this Chityal mandal is closely attached to the Munugodu mandal as well as other mandals of the Munugodu constituency. Earlier, this Chityal mandal was part and parcel of Munugodu Panchayathi Samithi. Further, some of the villages names 'Vembai', 'Thallavellemula' and Elikatte of the Chityal mandal are presently part and parcel of Munugodu constituency. Always, the people of this mandal feel convenient to reach Munugodu constituency. If this mandal is attached to the Nakrekal constituency, they shall have to cross the Nakrekal mandal all the way to reach Nakrekal, which is against the spirit and principles of the Delimitation Policy.

In any way, inclusion of Chityal mandal in Nakrekal constituency is not correct, similarly inclusion of Narketpally mandal in Munugodu constituency is not at all correct. In view of this, we propose to include Chityal mandal in Munugodu constituency dropping Narketpally mandal and in the same way, to include Narketpally mandal in Nakrekal constituency dropping 'Chityal' mandal from the draft proposals.

### **94-BHONGIR A/C**

We also submit the following proposal regarding the inordinate proposal of shifting Bommalamaram mandal from the existing 94-Bhongir constituency to 97-Alair constituency. The geographic location of Bommalamaram mandal is located at a distance of 22 kms from Bhongir head quarters which is well within the geographic boundaries. The people of Bommalamaram mandal in order to go to the new proposed headquarters have to travel double the distance i.e., 45 km, that too via Bhongir A/c headquarters. If Bommalamaram mandal is detached from Bhongir and attached to Alair as proposed, the people will have to face insurmountable hardship and all welfare and social measures would invariably fail. The people of Bommalamaram mandal are agitating against the proposed change and the Sarpanchas, MPTCs, ZPTC and MPP and all the villagers of the mandal have given their written representation against such a change. Hence, we request your favourable consideration to retain Bommalamaram mandal in Bhongir A/c, as follows. The total population of Bhongir A/c will now be 290025, which is within the permissible limits.

### **CHITTOOR DISTRICT**

In the Draft Proposal of Chittoor District, in the reorganization of certain constituencies, the geography and the public interests are not taken care of. For instance, Gurramkonda mandal, which is nearer to Thamballapalle i.e., 20 kms. Is added to Piler constituency. The distance from Piler to Gurramkonda is more than 60 kms. Likewise, Kurabalakota mandal is nearer to Madanapalle than Thamballapalle, but it is added to Thamballapalle constituency. Ramasamudram mandal is very near to Punganur, yet it is added to Madanapalle. Above all, Rompicherla mandal is added to Punganur constituency. The distance between Rompicherla and Punganur is more than 78 kms. It is not logical and rational to add it to a far away constituency like Punganur. Rompicherla mandal is started from Piler 2 kms and the other surrounding panchayats are adjacent to Piler mandal. The transport facilities are also very convenient to the people of Rompicherla to reach Piler within short time. Hence, it is requested to reorganize the constituencies keeping in view the topography and geography of the entire district by adding Gurramkonda to Thamballapalle, Kurabalakota to Madanapalle, Ramasamudram to Punganur and Rompicherla to Piler, as follows :-

Constituency	Mandal Name	Population
<b>1. PILER</b>	Piler	61824

We have represented to the DLC that the existing Kuppam A/c should be retained by keeping part of V. Kota mandal i.e., Padigalakuppam, Peddabarinepalle, Bairupalle, Vogu, Yalakallu,

Mogaramdoddi, Boyachinnaganipalle, Chinthamakulapalle, S.Bandapalle, Pamuganipalle, Kongatam, Sivun Villages which are in existing Kuppam A/c. Otherwise, entire V. Kota mandal villages may be added to Kuppam constituency.

**KADAPA DISTRICT****249-KAMALAPURAM & 250-JAMALAMADUGU CONSTITUENCIES**

The DLC in their Draft Proposal, Yerraguntla mandal has been included in 250-Jammalamadugu A/c. In 249-Kamalapuram, Lakkireddipalli and Ramapuram mandals have been included. The distance between Kamalapuram and Yerraguntla is 10 kms only, which is more convenient and accessible to the people of Yerraguntla mandal. Whereas, Lakkireddipalli and Ramapuram mandals are far away from Kamalapuram with a distance of more than 75 km. Hence, we are dissenting and request for inclusion of Yerraguntla mandal to Kamalapuram Assembly Segment.

**10) KHAMMAM DISTRICT :-****(110) Pinapaka Assembly Constituency :-**

(a) Delimitation Commission proposed Pinapaka (ST) Assembly Constituency with **(1) Pinapaka (2) Manuguru (3) Aswapuram (4) Gundala and (5) Palvoncha Mandals.**

(b) In the proposed **Pinapaka Assembly Constituency**, excepting **Palvoncha** all other Mandals are predominantly by Tribal Population. The interest of Tribals will be better protected if all predominantly Tribal Mandals are put together so that an integrated Tribal development could take place Assembly Constituency. Palvoncha Mandal at a distance of 90 KMs From **Pinapaka** which is inconvenient to the public.

Hence Palvoncha Mandal may be deleted and added to 117-Kothaguded Assembly Constituency. Add **Tekulapally Mandal** which is dominated by Tribal population of **78.10 %** to 110- Pinapaka Assembly Constituency.

We propose **Pinapaka Assembly Constituency** (1) Pinapaka (2) Manguru (3) Aswapruam (4) Gundala and (5) Tekulapally with a Total population of 216328. Thus **Tekulapally Mandal** proposed in **Kothagudam Assembly Constituency** may be deleted and add to **(110) Pinapaka Assembly Constituency**. **Palovancha Mandal** may be deleted from **(110) Pinapaka Assembly Constituency** and add to **(117)**.

There will be a slight decrease in the Pinapaka Constituency population limit which will get corrected once the Polavaram project is completed as two Mandals (Kunavaram and V.R.Puram) will get fully submerged and two Mandals (Bhadrachalam Assembly Constituency and Chintur) will get partly submerged. The resulting re-settlement of the population from these four Mandals to the Pinapaka Assembly Constituency will correct the excess population in Bhadrachalam Assembly Constituency Assembly Constituency as well as decrease population in the Pinapaka Assembly Constituency. The Polavaram project works are in progress and the people of submerging

area are going to the western bank of Godavari River for the protection of their life style and life tradition.

**4. (117) Kothagudem Assembly Constituency :-**

(a) The existing **Kothagudem Assembly Constituency** almost full Mandals of (1) **Kothagudem** (2) **Palvoncah** and parts of (3) **Chandrugonda** and (4) **Penubally** Mandals.

(b) As per the Commission proposal (1) **Kothagudem** (2) **Tekulapally** and (3) **Julurupad** Mandals in **(117) Kothagudem Assembly Constituency** is not **justified** as it is not convenient to the public i.e communication and Administrative point of view.

(c) **Kothagudem Municipality** and **Palvoncha Municipality** are contiguous (**Twin towns**) and Industrially linked and **Non Tribal population** dominated places Assembly Constituency.

(d) **(117) Kothagudem Assembly Constituency** proposed by the Commission, excepting Kothagudem all other Mandals are predominantly have Tribal population. Kothagudem has predominantly population whose occupation is mostly either Industrial or Industrial related Assembly Constituency activities and **Tribal population** is **very much less**. The interest and culture of the Tribal will be better protected if all predominantly Tribal areas i.e **Tekulapally** and **Julurupad Mandals** are put together with another Tribal dominated Constituency. So that an integrated Tribal development could take place Assembly Constituency.

(e) Hence we proposed to delete Tekulapally and Julurupad Mandals from the **(117) Kothagudem Assembly Constituency** as draft proposal of the Commission. We proposed to add Tekulapally Mandal to **(110) Pinapaka Assembly Constituency** and **Julurupad Mandal** to **(115) Konijerla/Enkuru Assembly Constituency**.

We propose **(117) Kothagudem Assembly Constituency** with **Kothagudem** and **Palvoncah Mandals**. The proposal is as per the guidelines of the Delimitation Commission.

**5. (113 ) Palair (114) Madhira, (112) Khammam, (115) Wyra Assembly Constituency are interlinked.**

Mudigonda Mandal have been proposed in **(114) Madhira** Assembly Constituency. But there is no direct connectivity between Madhira and Mudigonda Mandals as there is MENERU RIVER flowing between these two Mandals and there is no Road Bridge on this river. So Mudigonda Mandal people have to travel through Nelakondapalli Mandal, Khammam Urban & Rural Mandal and Wyra Mandals to reach Madhira Assembly Constituency i.e they have to cross (112) Khammam, (113) Palair and (115) Wyra proposed Assembly Constituencies.

Hence we request you to add Mudigonda Mandal in to 113-Palair Assembly Constituencies, which is most appropriate.

The commission proposed **Madhira Assembly Constituency** with (1) Madhira (2) Yerruplam (3) Bonakal (4) Chintakani and (5) Mduigonda Mandals.

Khammam Urban Mandal excluding Khammam Municipality should be separated and add to (1) Enkuru, (2) Julurupad, (3)Konijerla and (4)Tallada Mandals which are proposed in **(115) (Wyra) Enkuru Assembly Constituency** with a total population of **271300**, out of ST. population is 21.65% as Wyra Mandal is added to Madhira Constituency.

The Commission proposed **Khammam Assembly Constituency** with Khammam urban Mandal only. **Khammam urban Mandal** with **Khamma Municipality**, **Khammam Rural** Mandal and **Chintakani** Mandals are in existing position in **Khammam Assembly Constituency**.

Khammam Urban Mandal includes Khammam Municipality and surrounding villages on Eastern and North Eastern villages to the town where as Khammam Rural Mandal is all together a different Mandal situated on the Western side of Khammam town. Khammam Rural which is the Western side of the Khammam town with a total population of 73291 should be merged with the population of Khammam Municipality of 159544 population thus population is the total of 232835 as One Constituency which is an existing Constituency.

### 8. (111) Yellandu Assembly Constituency

The Commission proposed Yellandu Assembly Constituency with (1) Yellandu (2) Bayyaram (3) Garla (4) Singreni Mandals. We proposed to add only Kamepally Mandal to draft proposal of Delimitation Commission for geographical and administrative convenience to the public. We propose Yellandu Assembly Constituency ST Reserved Constituency as in draft proposal with 43.76% of ST Population.

### 18. PRAKASAM DISTRICT

- All of the three proposed SC reserved constituencies 226. Santhanuthalapadu, 224. Addanki and 229. Kondapi Acs are continuous and clustered. Under section 9(1) (c) of the Delimitation Act 2002, the Constituencies for SCs are to be distributed and this rule has been violated in this district. Hence the three SC reserved seats shall be distributed in the district.
- Doranala and Arthaveedu Mandals were proposed in 221. Yerragondapalem Constituency. All of these areas are falling in Nallamalai Forest Area and Dornala mandal is at the highest altitude of the surround areas. This Dornal mandal has direct road access only to Markapur through a Ghat road. Hence Dornala mandal are convenient to proposed in 230. Markapur AC and Ardhaveedu mandal may be added to Giddalur constituency is convenient.
- 229. Kondapi AC is proposed with Singarayakonda, Kondapi, Tangutur, Zarugumilli, Ponnalur and Marripudi mandals. But Tangutur mandal is divided with river Musi and it doesn't have direct access with the remaining proposed mandals of 229. Kondepi AC.
- And this Tangutur mandal has good conveyance to Santhanuthalapadu. Also Tangutur Mandal is in Ongole Revenue Division and remaining proposed mandals of 226. Santhanuthalapadu AC. Hence Tangutur Mandal shall be proposed in 226. Santhanuthalapadu AC.
- And Podili mandal is proposed to Markapur and Podili mandal has direct transportation conveyance with other proposed mandals of 229. Kondepi AC. Hence we request you to change this Podili mandal with 229. Kondepi AC

### 16. Krishna District

- Ø As per the Commission's working paper 202. Nandigama, 188. Tiruvuru and 189. Nuzivid Acs are proposed for SC Reservation. All of these 3 ACs are concentrated and clustered in Northern part of Krishna District.
- Ø The proposal is against and contradiction to section 9(1) (c) of the Delimitation Act 2002, which spells the Constituencies for SCs are to be distributed.
- Ø The proposal proposed in the previous working paper of the commission has proposed to form Pamarru AC. All of the Associate Members of all political parties have appreciated and non of them were objected the formation of Pamarru Constituency. But surprisingly Commission has deleted Pamarru Constituency in the latest Draft proposal.
- Ø We request you to revise the Pamarru AC as your previous proposal and add Gantasal Mandal to Pamarru Constituency.
- Ø This will lead to distribution of one reserved AC to the Eastern part of Krishna District.

### **THE PARLIAMENTARY CONSTITUENCIES IN HYDERABAD AND RANGA REDDY DISTRICT**

There are 29 Assembly Segments in the two districts put together. Even though there are two districts, it may be recalled that they were one district earlier. The increase in the number is purely due to the urban agglomeration of Secunderabad and Hyderabad. Out of 29 Assembly Segments, only 5 constituencies are rural and the remaining are urban surrounding the twin cities of Hyderabad and Secunderabad. One rural constituency has been added to Nalgonda Parliamentary Segment, leaving 28 Assembly constituencies which will have to be formed into 4 Parliamentary Constituencies. Since Hyderabad City has two parliamentary constituencies but 15 segments, one has to be added to the neighbouring area of Ranga Reddy District.

It is submitted that the cities of Hyderabad and Secunderabad are traditionally called the Twin Cities. One of the parliamentary constituency is known as Secunderabad while the other as Hyderabad. Secunderabad Cantonment is a part of Secunderabad but is inappropriately removed from Secunderabad and added to Malkajgiri. This should be retained in Secunderabad Parliamentary Constituency. Consequently, one constituency from Hyderabad City i.e., Yousufguda which is adjacent to Kukatpally can be added to Malkajgiri Parliamentary Constituency. L.B. Nagar which on the southern part of Hyderabad would more appropriately be a part of the Chevella Parliamentary constituency than Malkajgiri. Sherlingampally which is the western part of Hyderabad City, adjacent to Kukatpally Assembly Segment may consequently be added to Malkajgiri parliamentary constituency.

It is submitted that the name of the proposed **Chevella** may be considered and re-designated as **Vikarabad**.

The objection which we are raising is primarily on removal of Secunderabad Cantonment Assembly Segment out of Secunderabad Parliamentary Constituency and also to ensure contiguity and also not breaking up one mandal i.e., Balanagar into two different parliamentary constituencies. It may be noted that a substantial part of Kukatpally Municipality of Balanagar mandal is also to Sherlingampally Assembly Segment. The arrangement is only a small modification regarding names and ensuring continuity and convenience.

Consequently, the arrangements suggested will be as follows :-

#### **MALKAJGIRI**

**CHITTOOR DISTRICT**

I am herewith submitting few changes for Parliamentary Constituencies of Chittoor District, based on the ACs proposed in the Commission's Working Paper for your kind consideration.

- Ø Delimitation Commission has Considered Census 2001 as the basis for framing Assembly Constituencies. As per Census 2001, Chittoor District is the 23<sup>rd</sup> District and i.e. the last district of Andhra Pradesh State.
- Ø Chittoor District is proposed with 14 Assembly Constituencies as per Delimitation Commission Draft Working Paper.
- Ø Ananthapur District is the 22<sup>nd</sup> District in AP as per Census 2001.
- Ø Ananthapur District also proposed with 14 Assembly Constituencies.
- Ø As per the Commission working Paper Ananthapur District is proposed with sharing its 14 Assembly Constituencies in to two Parliamentary Constituencies.
- Ø But Chittoor District is proposed with allotting its 14 Assembly Constituencies in to 3 PCs of 3 districts. As Chittore is the last district after Anathapur District, It is also has to be shared for two PCs only with its own district ACs.
- Ø This has happened because, leaving one AC (228. Kandukur) of 18. Prakasam District, the commission has suddenly jumped to 21. Kurnool district instead of continuing to 19.
- Ø Nellore District, which is completely violating commission's own guidelines and that to without any particular reason.
- Ø Commission shall process in order of following sequence as per census 2001
  - i. Prakasam (18)
  - ii. Nellore (19)
  - iii. Cuddapah (20)
  - iv. Kurnool (21)
  - v. Ananthapur (22)
  - vi. Chittore (23)
- Ø The connectivity and Geographical association also available between all the districts in this order. A state highway is connecting 19. Nellore and 20. Cuddapah districts and it is passing through Rapur (Nellore District) - Kodur and Rajampet (Cuddapah District).
- Ø We request you to form two Parliamentary Constituencies fully contained with 14 Assembly Constituencies of Chittore District by Considering Chittore District as the next District of Ananthapur District as per the Criteria followed for Assembly Constituencies and Census 2001.
- Ø During the discussion at the delimitation commission by the associate members it was agreed that the SC parliamentary constituencies should be distributed 3 to Andhra region, 3 to Telengana, and one for Rayalaseema. We have also requested to distribute S.C. parliamentary constituency seats among the segments of the respective regions. To our surprise two parliamentary S.C. seats belonging to rayalaseema region, particularly in chittoor district, contrary to the agreed conditions and also violation of the procedure of delimitation act.
- Ø We are herewith enclosing proposal with 2 Parliamentary Constituencies i.e. Madanapalli and Tirupathi/ Chittore forming with 14 Assembly Constituencies of Chittore District as proposed by Delimitation Commission's Draft Working Paper.

Dissent for 20- Vizianagaram Parliamentary Constituency.

135-Gajapathinagaram Assembly Constituency is an existing Assembly Constituency in Bobbili Parliamentary Constituency which is now renamed as (20)-Vizianagaram Parliamentary Constituency. (135)-Gajapathinagaram Assembly Constituency is surrounded by Vijayanagaram town as Vijayanagaram P.C also. Hence it may be considered to retain Vizianagaram Parliamentary Constituency. The above change corrects Geographically errors in Commissions proposal.

Dissent for 22- Anakapalli Parliamentary Constituency.

146-Madugula Assembly Constituency is an existing Assembly Constituency in 21-Anakapalli Parliamentary Constituency. It is surrounded all Assembly Constituencies of 21-Anakapalli P.C. There is no considerable number of S.T population in 146-Madugula A.C. It is not appropriate proposal to include in 18-Araku S.T Parliamentary Constituency. Hence it may be considered to retain 146-Madugula in 21-Anakapalli Parliamentary Constituency.

Dissent for 11-Mahabubnagar and 12-Nagarkurnool Parliamentary Constituencies.

Delimitation Commission has proposed 12- Nagarkurnool P.C was General. Nagarkurnool Parliamentary Constituency is an existing P.C reserved for SC's. this will create a negative message of S.Cs in Northern Telangana Region. All the S.C reserved Parliamentary Constituencies are proposed in Northern Telangana and are in Contiguity, they should be distributed among other parts of Telangana.

Hence 12-Nagarkurnool PC should be considered as SC reserved Parliamentary Constituency, 12- Nagarkurnool PC may be proposed the following 75-Jedcherla AC, 84-Shadnagar AC is to be deleted from 11-Mahabubnagar PC and include in 12-Nagarkurnool PC. The above 2 A.Cs are in existing Nagarkurnool PC. Subsequently 78-Wanaparthy, 79-Gadwal AC's may be deleted from 12-Nagarkurnool PC and added to 11-Mahabubnagar in place of 75 & 84 AC's. for more public convenient. Hence dissent note.

Dissent for (36)- Ananthapur and (37)-Hindupur Parliamentary Constituencies.

(271)-Singanamala (SC) Assembly Constituency existing in Ananthapur Parliamentary Constituency may be retained by deleting from Hindupur Parliamentary Constituency for the reason that (271)-Singanamala (SC) Assembly Constituency is very close and adjacent to Ananthapur Assembly Constituency within the radius of 10 Kms and where as Hindupur is more than 100 Kms from Singanamala and the people Singanamala Assembly Constituency should go through Ananthapur Corporation and 2 A.Cs of (36)-Ananthapur Parliamentary Constituency. (274)-Raphadu Assembly Constituency is included in (36)-Ananthapur Parliamentary Constituency (274)-Raphadu Assembly Constituency may be include in 37, Hindupur Parliamentary for public convenience.

Dissent for (30)- Guntur, (31)-Narasaraopet, (32)-Bapatla (SC), (33)-Ongole

**We would like to dissent that 226)-Santhanuthalapadu (SC) Assembly Constituency which is included in 32)-Bapatla Parliamentary Constituency is situated around Ongole Assembly Constituency. Hence, (226)-Santhanuthalapadu (SC) Assembly Constituency can not be excluded from Ongole Parliamentary Constituency to over come the problems and to follow guidelines of the Delimitation Commission i.e. Contiguity, public Convenience and**

**Communication. people belongs to all villages of 226)-Santhanuthalapadu Assembly Constituency have to come to Ongole for their day to day affairs.**

While deleting 226)-S.N.Padu(SC) from (32)-Bapatla (SC) Parliamentary Constituency (221)-Yerragondapalem which is proposed has to be included in (31)-Narasaraopet Parliamentary Constituency while deleting from Ongole P.C.

3) After deleting 221)-Yerragondapalem Assembly Constituency from Ongole and adding to 31-Narasaraopet Parliamentary Constituency, consequently (215)-Chilakaluripeta Assembly Constituency which is an existing Assembly Constituency in Guntur Parliamentary Constituency is to be added. 207)-Ponnuru Assembly Constituency now proposed to include in (30)-Guntur Parliamentary Constituency is to be deleted and to be added to 32-Bapatla (SC) Parliamentary Constituency and which is an existing Assembly Constituency of (32)-Bapatla (SC) Parliamentary Constituency.

We once again request the Hon'ble Chairman, Delimitation Commission to consider the above dissenting proposals of Assembly and Parliamentary Constituencies for publishing along with the Draft Proposals of the Commission.

With warm regards,

Yours sincerely

Encl: as above

The Chairman  
DELIMITATION COMMISSION OF INDIA  
Nirvachan Sadan  
Ashoka Road  
New Delhi – 110001.

In **18-Prasam** District three proposed SC reserved constituencies 226. Santhanuthalapadu, **224. Addanki** and 229. Kondapi ACs are continuous and clustered. Under section 9(1) (c) of the Delimitation Act 2002, the Constituencies for SCs are to be distributed and this rule has been ignored in this district. Hence the three SC reserved seats shall be distributed in the district.

- **Doranala and Arthaveedu** Mandals were proposed in 221. Yerragondapalem Constituency. All of these areas are falling in Nallamalai Forest Area and **Dornala mandal** is at the highest altitude of the surround areas. This Dornal mandal has direct road access only to Markapur through a Ghat road. Hence Dornala mandal are convenient to proposed in 230. Markapur AC and Ardhaveedu mandal may be added to Giddalur constituency is convenient.
- 229. Kondapi AC is proposed with Singarayakonda, Kondapi, Tangutur, Zarugumilli, Ponnalur and Marrisudi mandals. But Tangutur mandal is divided with river Musi and it doesn't have direct access with the remaining proposed mandals of 229. Kondepi AC.
- And this Tangutur mandal has good conveyance to Santhanuthalapadu. Also Tangutur Mandal is in Ongole Revenue Division and remaining proposed mandals of 226. Santhanuthalapadu AC. Hence Tangutur Mandal shall be proposed in 226. Santhanuthalapadu AC.

- And **Podili mandal** is proposed to Markapur and Podili mandal has direct transportation conveyance with other proposed mandals of 229. Kondepi AC. Hence we request you to change this Podili mandal with 229. Kondepi AC

## 16. Krishna District

- Ø As per the Delimitation Commission Draft proposal 2 Mandals have been spited, we have made the proposal with the splitting of 2 Mandals only. As per the Commission's working paper 202. Nandigama, 188. Tiruvuru and 189. Nuzivid Acs are proposed for SC Reservation. All of these 3 ACs are concentrated and clustered in Northern part of Krishna District.
- Ø The proposal is against and contradiction to section 9(1) (c) of the Delimitation Act 2002, which spells the Constituencies for SCs are to be distributed.
- Ø The proposal proposed in the previous working paper of the commission has proposed to form 197- Pamarru AC. All of the Associate Members of all political parties have appreciated and non of them were objected the formation of Pamarru Constituency. But surprisingly Commission has deleted 197-Pamarru Constituency in the latest Draft proposal.
- Ø We request you to revise the 197. Pamarru AC as your previous proposal and add Gantasal Mandal to 197- Pamarru Constituency.
- Ø This will lead to distribution of one reserved AC to the Eastern part of Krishna District.
