SAMAJWADI FORWARD BLOC PARTY MANIFESTO

We believe in the Total Concept of our Indian Constitution. We have a point to highlight i.e. the Preamble of our Constitution and the Directive Principles of State Policy in our Constitution should become Justiciable Rights. Meaning if those things are not implemented by the Government the Citizens of the Country should be able to knock the doors of Jurisprudence to get it implemented.

- 1. Our basic Concept is Joint Leadership, Collective Decision, Individual Responsibility and Socialism with Indian perspective of fulfilling and providing to every Indian Citizen i. Basic needs, ii. Basic facilities iii. Basic amenities iv. Basic Infrastructure v. Basic Inclusive methodology in Distributive Justice and growth orientation in overall perspective.*
- 2. Basic Needs: i. Food ii. Clothing iii. Shelter iv. Education v. Medication vi. Pollution free Environment and clean atmosphere, v. Work for all hale and healthy persons and all those who are willing to work even if they are physically challenged for 300 working days in a year and thus earn their livelihood with Self dignity and Self-respect and obtain Work as a Right and get work within the periphery of 100 kilometer radius so that any person from the age of 24 to 65 and in exceptionally healthy cases even up to 75 years of age must obtain work in their region and should be able to Earn not less than Rs. 500 / day for 300 working days in a year and need not depend on any kind of alms or crumbs being thrown by political parties*

in the name of Welfare prograames. Thus we promote Individual Responsibility associated with Duty towards himself, family and the Country and demand for Total Natural Rights as the Citizen of this Country without any disparities of Caste, Creed, Culture, Region, language, Sex and other kind of Discrimination.

3. *We strive of Education for all in any subject of citizens aspiration free of cost from 5th year to 24th year . ie. from 1st Class to P.Hd. as the person desire. Upto Post Graduation the Education in all Faculties including Medicine, Agriculture, Engineering, Pharmacy, Management and Administration Courses, Technological course (All Faculties, All Courses should be free of Cost with Quality Education)based on the individual merit and trial for as many times as possible. overall perspective is Quality Education in all Educational Institutions should be absolutely free for all Citizens of India without any discrimination we hope that is the perspective and policy of Indian Concept of Socialism as dreamt by Bapuji and Netaji and it has to be implemented in true spirit and faith which will set in a new era in Indian Politics. Our Indian Constitution in Preamble strives for Socialism as a fundamental tenet to be adhered and followed. We don't borrow the socialim of Russian or Chinese Model, We evolve the Indian Model suitable for Indian Conditions as declared by Many Socialists in India and especially our beloved leader Netaji Subash Chandra BOse. We stand for its implementation like Netaji for Sampoorana Swaraj as Bapu ji dreamt for India with the concept of Sarvodaya and with the spirit and valour of Indian National Army discipline for its achievement and implementation.*

4. *Basic Facilities: Medication, Health Care, Prevention of Diseases, Hygienic Environment and Pollution free Environment are the basic facilities required for every citizen Free of Cost. Meaning every Citizen has the right to obtain Medical treatment free of Cost in any kind of Hospital. Now a days Super Speciality Hospitalas are Minting Money. That kind of Hygeininc Environment and Clean atmosphere and ambience, facilites and Service and Skilled perssonel are required in All hospitals. All citizens have a right to apporach any Hospital Private or Government for free Treatment and hereby we declare the overall health is the combined responsibility of Individual , Family and the Government. No family or Citizen should suffer because of lack of economic resources in times of Failing health and Medication should be absolutiely free for all Citizen. This is also a part of Humanitarian approach and fundamental principle of Socialism and which is inculcated in Directive Principles of State Polcy. This must become a Justiciable right. That is our Political Theory and perspective.*

5. *Basic Amenities: Protected Drinking Water (Purified Drinking Water) in All Villages, For all Families for all Citizens should be available at free of Cost. Natural resource dear to all citizens should not become a Commodity for Sale. It should be free of Cost for all citizens and living things. Along with with Drinking Water Under ground Drainage system should be established in all 600,000 villages and other habitats of India and it should be maintained with strict Social Control ofr Prevention of Diseases. Leach pit Latrines for all families Rural Villages wherein Ground water will not be polluted and and Flush out latrines for all families in Town regions have to be made mandatory. Solar Power Generation for*

thoroughly and it should have drainage, Electricity and Drinking water facility.

7. *We Strive for Electoral Reforms: Administrative Reforms, Police Reforms and Judicial Reforms: i. Electoral Refoms : All political parties are accountable and should submit their accounts and expenditure during Elections without exception. Election Commission should treat all political parties with equal Respect and approach and Electoral Expendture and its limit should be strictly adhered by all political parties and Election Commission's autonomous functioning should be strictly executed and implemented during elections and the Political Parties should answer to " Right to Information " with proper facts and details. II. Administrative Reforms: We Stand for Decentralisation. Decentralisation of Power, Devolution of Authority and Decision making Powers for Local Bodies. In this perspective we are for direct allocation of State Budget amount to a. Gram Panchayath 25 % b. Mandal 25 % c. MLA Region or Taluk 15 % and d. District 15 % of Money directly to District and e. 20 % of the Money to be retained for State level Expenditure and f. Central Government's Budget money 33 % should be alloteed to 545 MPs and 264 Rajya Sabha MPs so that Federal Structure of Indian Union will be realised and Administrative process will be strengthened. Absolute Decentralisation will be realised.*
8. *We are for Liberty, Fraternity and Equality and in this proces Social Justice through Distributive Justice , Decentralisation, Employment Generation and finally Controlling corruption and eradication of Corruption in total as the ultimate objective.*

9. We believe that every MP region should be declared as District and MLA region (100 villages as Taluk) 20 villages as Mandal and village consisting of 2800 population and 400 houses as a Gram Panchayath.

10. Mandal Industries Centre, Mandal Industries Infrastructure Corporation Mandal Level Stock Exchange , Mandal level Warehouses and Cold Storage plants and Mandal level Agricultural Industries and Artisan Centres should be furthered in geometrical proportion and in Every Mandal there should be not less than 5 Commercial Banks catering to 4 villages needs in finance supply and necessities.

11. Taluks & District (MLA regions and MP Regions) should be able to cater to all demands of the citizens and no citizen should travel upto state Headquarters or Capital for his needs. Legislative assembly should confine itself to legislation and implementation of programmes are the look out of Local Governments. Local Governments should answer all the Citizens for their needs within one Week to 15 days for their needs, necessities and requirements.

12. Judicial Reforms and Police Reforms: Police should be friendly in nature with citizens and it can deal with criminals in a different manner but under suspicion the citizens should not be ill treated. Every citizen should feel free to approach Police without fear or apprehension. Police laws should grow beyond 1935 acts and a committee or commission should be formed to bring it into force within one year wherein Police and Citizens move freely without fear or apprehension. As for as Judicial Reforms are concerned " Speedy Justice and Quick disposal of Cases" and appointment of Judges and One Court for Every mandal Regions are necessary.

13. We are more concerned about a. Labour (organised, unorganised and Migration labour) b. Farmers c. Artisans d. Unemployed e. Street Vendors f. Socially Concerned persons (intellectuals) We are ultimately for all these sections of the society to Earn Rs. 500/ day for 300 working days in a year and live with self dignity and perspective with self-employment promotion and creativity of Employment generation as a minimum earning.
14. Productive cost of All products both in Industry and Agriculture should be established including all the taxes on which Farmers, Street Vendors, Artisans and all tiny, cottage, small scale industries are eligible for 50 % profit only
15. all Marginal Industries and Big Industries their production cost has to be ascertained and after taxes their profits should not exceed 25 %
16. Majority of Industries ie. tiny, Small, Cottage , medium scale and Big industries and even Marketing of Artisan products should be liasioned to coordinate with one another and brought under one network from Mandal, Taluk, District and State level regions.
17. Marketing centres should be Decentralised and 600,000 villages should be divided in 30,000 Mandals in India and MANDAL STOCK EXCHANGE should cater to the marketing aspects of all productions and the Consortium of all MANDAL STOCK EXCHANGE should become a NATIONAL STOCK EXCHANGE for the growth of Indian Economy through Geographical promotion, based on Culture, Travel, Artisans products, Agricultural product and Industrial product should be streamlined and the Marketing should strictly monitored by the Government and Social Control in a non -negotiable manner.

18. SAMAJWADI FORWARD BLOC party strives on these principles i.e. making Preamble and Directive Principles of State Policy as Justiciable and enforceable rights and they should not just be decorative ornamentle principles, which when questions need not be answered or may not be answered. It should be enfociable rights. Socialism and Secularism should be adhered in practice and not just ornamental . Internal Party Democracy if not followed the paarty should loose its recognition. Any Election expenditure if it is crossed and identified even by a whistle blower or a citizen the Election should be cancelled.

19. Natioalism is not a slogan it has a pride and perspective, it is not just emotional, Unity in diversity and different opinions should be respected for this a Ministry should be formed and all National perspective of thoughts, deeds and practices should be recognised, reverred and given its due place and for this a special Ministry with a Cabinet rank should be evolved and all kinds of NCC and NSS programmes should be under its control for Character building and Grievance Redressal Mechanism of the Citizens both at athe Centre and State Government.

20. Our Party respects and Regards the combined wisdom of Bapu ji and Netaji associated with all Socialist of Indian origin and Indian perspective. We wish to usher in a new era of Just Society in India wherein " Living and Life is comfortable and Rights are assured and Discipline of every Indian Citizen through his Duty, Honour, Patriotism for his Country and Responsibility in his/her endeavour towards himself, family and Country is non-negotiable and strictly implemented. Democracy and Socialism are inseperable. Rights, Duties and Responsibilities are inseperable. Life,

better life and better living is possible only through this process and not just in Welfare measures. Till this is achieved basic welfare shall be taken care with sincere implementation and practice and monitoring.

21. *National Wealth, National Resources should never go into the hands of Multinational Companies or Transnational Companies or Compnies without the process of Competetion. As a perspective we ultimately feel that national wealth and resources should confine to local governments only with debate and discussion and consensus only it should be utilised.*

22. *We will adhere to this concept of Political philosophy in theory and practice and when we come to power we will implement them without hesitation or doubt and fight for them as opposition and build a " peoples movement " for awareness and its achievement in its overall perspective and our struggle and constructive Work will be within the framework of Indian Constitution.*
