The attention of the District Election Officers and the Electoral Registration Officers of Council Constituencies noted in the address entry is invited to the references first to third cited. They are informed that large number of complaints have been received that the details of educational institutions where the applicant/elector is working have not been incorporated in the draft electoral roll and without the complete details of institutions, the details of the teachers cannot be verified; that enrolment of private teachers has been made inspite of the fact that they are not qualified to be included and that persons applied for Graduates' Constituency, who are not Teachers, have been enrolled in Teachers Constituency.

All the DEOs / EROs are, therefore, informed that instructions have already been issued to verify the draft electoral rolls and fill up all the blank columns including the column "School / College where teaching" and mention the full particulars / address of the institutions and also to verify the draft electoral rolls and update the full name of the elector, where only surname has been printed immediately. **The above tasks shall be completed by 10.12.2016** and furnish such lists after data entry to all the political parties and report compliance by 12.12.2016.

The District Election Officers and Electoral Registration Officers are further instructed to verify whether any person has been enrolled without submitting the Service Certificate issued by the Head of the educational institutions duly countersigned by the District Educational Officer or equivalent Officer in respect of private unaided / aided schools / colleges / other educational institutions, if not, take further action for deletion of such names following the due process. In case it is found that the Head of the Institution / Countersigning Authority has given false information in the Certificate, action shall be taken against such Head of the Institution / Countersigning authority under Section 31

(P.T.O.)

of the Representation of People Act, 1950. If any ineligible person is enrolled in Teachers' Constituency, action should be taken for deletion of such names keeping in view of the instructions already issued duly following the due procedure.

It is reiterated that each and every application should be thoroughly verified by the Booth Level Officer or Verifying Officer to ascertain the "ordinary residence" of the elector. Without proper enquiry the application shall not be accepted or rejected. If any incident of enrolment of ineligible elector comes to the notice of this office, stringent action will be initiated against the officers responsible.

All the District Election Officers / Electoral Registration Officers of Teachers' Constituencies are requested to bring these instructions / clarifications to the notice of all concerned and send the compliance report.
