The electoral rolls for the Teachers' Constituencies should be prepared in Telugu as well as in English. The procedure for enrolment for Teacher's constituencies given in the E.C.I. guidelines shall be followed.

4. The Electoral Registration Officer shall take necessary action on the following immediately:

- (i) Wide publicity should be given to the programme.
- (ii) Instructions regarding revision and publication of electoral rolls for the council constituencies issued vide ECI Letter No. 37/LC/INST/ECI/FUNC/ERD/ER/2016, dt.05.09.2016 should be followed scrupulously.
- (iii) The rolls shall be computerized according to the table structures prescribed by the Commission and required software will be provided by the SLA to the DEOs / EROs.
- (iv) As the electoral rolls for the Teachers' Constituencies are required to be prepared afresh, all persons whose names are included in the existing rolls **should also submit fresh** application in the prescribed Form-19.
- (v) According to Rule 31 of Registration of Electors Rules, the EROs are required to issue a public notice as in Annexure-1 hereto, on 01.10.2018 inviting Claims in the prescribed Form 19 for inclusion of names in the electoral rolls upto 6<sup>th</sup> November, 2018.

- (vi) The said notice is to be published with all details in atleast two news papers having circulation in the Constituency and republished in news papers once on 15.10.2018 and again on 25.10.2018 besides displaying the notice at specified places in the constituency. Copies of the news papers wherein the notices were published shall be furnished to this office immediately on the next day.
- (vii) The E.R.O. is required to publish the public notices in the formats prescribed with all the details of ERO / AEROs / Designated Officers in the office of the Electoral Registration Officer and also in the offices of the District Election Officers, Revenue Divisional Officers and Tahsildars, Local bodies within the constituency on the dates notified by the Commission. Immediately after the publication, Electoral Registration Officer should send a certificate to the Chief Electoral Officer stating that the notice has been published in his office along with a copy of the notice.
- (viii) Copies of the notice should be circulated to all recognized and registered political parties, educational institutions, officers' associations, clubs, etc. located in the constituency by the EROs for wide publicity.
- (ix) As the Commission has decided to prepare photo electoral rolls for Teachers' constituencies, the EROs shall collect photographs of all the applicants. EPIC numbers of the electors should also be collected. There is no need to issue a separate EPIC for electors enrolled in Teachers' constituencies, but EPIC numbers already assigned to them in Assembly Constituencies should be entered in electoral rolls of Teachers constituencies. The photographs so collected shall be scanned and attached to the electoral rolls database of Teachers' Constituency.
- (x) ERO should address all educational institutions located in the constituency inviting their attention to the public notice issued by them as well as the advertisement published in the newspapers impressing upon them that all qualified persons should apply for inclusion of their names.
- (xi) EROs should also address the Heads of the Educational Institutions requesting them to collect applications in the prescribed Form (Form-19) from the eligible persons among their staff for inclusion of their names and to be forwarded to the ERO upto 06.11.2018
- (xii) ERO should collect information about all persons who are eligible for enrolment in Teacher's Constituency from heads of specified educational institutions. He should further check whether all such eligible persons are enrolled in the draft electoral rolls being prepared by him or not. If the Electoral Registration Officer finds that an eligible person is left out, he should send a blank Form 19 to the concerned person with a request to fill the application form and send it to the Electoral Registration Officer through the head of the institution, in which the applicant has been working.
- (xiii) Section 20(4) of the R.P. Act, 1950 does not apply for the purpose of electoral rolls for Teachers' constituency. Therefore, the facility of enrolment of declared office holders in native place by the declaration in Form I is not available in the case of Teachers' constituency. They can get their name enrolled, if eligible, in

the place where they are ordinarily resident for the time being. It is not necessary that the educational institution in which an eligible elector is employed should also fall within the same Teachers' constituency. The eligibility to be enrolled in a particular Teachers' constituency should be determined on the basis of the applicants' place of ordinary residence and not on the basis of his place of work.

- (xiv) Eligible persons should apply for enrolment of their names in the prescribed Form-19 as claims along with supporting document(s), photograph, EPIC number of the Assembly Constituency.
- (xv) Every person applying for enrolment (in Form-19) in Teachers' constituency must submit documentary proof of having been engaged in teaching in any of the specified educational institutions for a total period of at least three years within six years immediately before the qualifying date (1.11.2018).
- (xvi) Electoral Registration Officer / Assistant Electoral Registration Officer concerned should make such verification of the documentary proof as he considers necessary. A certificate by the Head of the teaching institution should normally be considered adequate documentary proof of possessing that teaching qualification. If any person, who has applied for inclusion of his / her name in a Teachers' Constituency, has been engaged in teaching in more than one specified Educational Institutions in the last six years, the certificate from the Head of institution of each of such educational institution will be required for the period for which he was engaged in teaching in that educational institution. The certificate from the Head of the Institution shall be in the Format at Annexure-II.
- (xvii) The engagement of a person in teaching in the specified educational institutions for at least three years within the preceding six years may be either in one continuous spell or in broken spells and further, may be either in one institution or more institutions, but all such institutions must be specified by the State Government. Therefore, it is immaterial whether a person, who has been so engaged in teaching for a total period of three years in one or more specified educational institutions, has been employed in those institutions as teacher on regular basis or on ad-hoc basis but he should be whole time teacher (even if there is no sanctioned post) and not engaged on a part -time basis as the condition for three years engagement in teaching cannot be fulfilled by a part -time teacher. Part-time teachers are not eligible for enrolment in the electoral rolls for Teachers' constituency.
- (xviii) In the light of the order of the Hon'ble High Court of Allahabad (Lucknow Bench) dated 5th March 2008, in Writ Petition No. 1269 (M/B) of 2008 {Madhyamik Vitta Viheen Vidyalaya Prabandhak Mahasabha Vs State of Uttar Pradesh}, the name of such teacher of unaided private school (if it is covered by the list of specified educational institutions) shall also be included in the electoral roll who intends to get his/her name enrolled in the voter list (i.e. electoral roll) of the Teachers' Constituency and approaches the ERO, after getting a certificate/counter signature from the District Inspector of Schools that he/she is a bonafide teacher of the specified

educational institution having the required length of service and, whose standard is not below the standard of the secondary school.

- (xix) In case of Telangana, the certificate of the Head of the Educational Institution countersigned by the District Educational Officer or the equivalent officer of the Intermediate / Collegiate Education Department in respect of Intermediate / Degree Colleges / Universities should be considered enough by the ERO to determine the eligibility of the applicant. But, in case of any doubt, the Electoral Registration Officer has to cross-verify with the Heads of the educational institutions for satisfying the eligibility of an applicant on the basis of any record available with the Head of the institutions besides Service Certificate issued by the Head of the Institution.
- (xx) During the year 2016, School / Higher Education Depts., have authorized the following officers to countersign the service certificates of teachers working in private-unaided schools, Govt.aided/private unaided/Oriental Degree Colleges, Govt/Aided/Private unaided Polytechnics and private unaided Engineering Colleges and affiliated colleges under the administrative control of Universities:
