#### Explanation –

For the removal of doubt, it is hereby clarified that –

(i) The concession of allotment of common symbol to the candidates of a registered unrecognized party under this paragraph shall be available to a party at any two general elections to the House of the People, or any two general elections to a State Legislative Assembly or at one general election to the House of the People and the other at a general election to a State Legislative Assembly, as the party may choose.

(ii) A party that has availed of this concession on two occasions shall, however, be eligible for the concession in any subsequent general election subject to the condition that on the previous occasion when the party availed of the facility, the votes polled by all the contesting candidates set up by the party at the general election in the State concerned was not less than one percent of the total valid votes polled in that State.

(iii) The free symbol allotted as a common symbol to the candidates of a party under this paragraph shall be available for allotment to candidates set up by the other parties or independent candidates in those other constituencies in which that party has not set up its candidates.

(iv) Allotment of common symbol under this paragraph shall be done on 'first-come-first-served' basis:

Provided that if applications of two or more parties giving preference for the same symbol are received in the Commission on the same date, then the question of allotment of the symbol to one of such parties shall be decided by draw of lots in such manner as may be directed by the Commission:

Provided further that if out of the two or more such parties giving preference for the same symbol whose applications are received on the same date, one party is such that it had been allotted the said symbol at the previous occasion in the State concerned and the other was not allotted that symbol in the previous election, then the symbol shall be allotted to the former:

Provided also that if out of the two or more such parties giving preference for the same symbol whose applications are received on the same date, both or all such parties had been allotted the said symbol on the previous occasion in the State concerned, and one among the parties is such that it has Member(s) elected to the House of the People or the Legislative Assembly of the State concerned on the symbol for which preference has been given by the party, then the symbol shall be allotted to that party to the exclusion of the other parties;

(v) If it is not possible for the Commission for any reason to allot a common symbol to the candidates of a party from out of the list of symbols for which it has given its preference under this paragraph, some other symbol from the list of free symbols may be allotted to that party in consultation with that party;

(vi) Notwithstanding anything contained in paragraph 10A, a political party which was earlier a recognized political party and which lost its recognition more than 6 years back will also be eligible under this paragraph to the concession of allotment of the symbol which was

earlier reserved for the party, at a general election to the House of the People or to the Legislative Assembly of a State, held after expiry of six years since the party lost its recognition, subject to the fulfilment of each of the conditions specified under clause(A) or (B), as the case may be, except the condition in sub-clause (iv) of clause (A) and sub-clause (v) of clause (B).”
