ELECTION COMMISSION OF INDIA

Nirvachan Sadan, Ashoka Road, New Delhi 110001

F No.56/Delisting/2025/PPS-III

Dated: 09th August, 2025

ORDER

India is a multi-party democracy and Political Parties play a vital role in the electoral process. Political Parties are registered with the Election Commission of India under Section 29A of the Representation of the People Act, 1951. Consequent upon registration, a political party gets several benefits like entitlement to accept contribution, income tax exemptions as well as facility of common symbol, preference over independent candidates on ballot paper, star campaigners etc., during elections.

2. Whereas, the purpose of registration of an association as a political party with the Election Commission under the aforesaid Section 29A is stated in that Section itself i.e., to avail of the provisions of Part IV A of the Representation of the People Act, 1951, which means participation in elections conducted by the Election Commission under the said Act; And

3. Whereas, Para 3 (xxiii) of the Guidelines for Registration of Political Parties issued by the Election Commission under Section 29A (6) of the Representation of the People Act, 1951 mandates the following undertaking from an applicant for registration as a political party:

"The party must declare in its constitution that it must contest an election conducted by the Election Commission within 5 years of its registration. (If the party does not contest elections continuously for 6 years, the Party shall be taken off the list of registered parties)"; And

4. Whereas, the address of communication of the political parties is statutorily required to be submitted at the time of registration under Section 29A (4) of the Representation of the People Act 1951 and whereas Section 29A (9) mandates every political party to communicate any change in its name, head office, office bearers, address or in any other material matters to the Commission without delay; And
5. Whereas, the Commission has noted with serious concern that a number of Registered Unrecognised Political Parties (RUPPs) are neither taking part in the electoral process nor are they existent at their registered addresses; And
6. Whereas, in view of the above, immediate corrective measures are warranted. Therefore, the Commission had initiated proceedings for the verification of 345 Registered Unrecognized Political Parties (RUPPs) regarding contestation of elections for last six years continuously since 2019 and existence at their registered address; And

Spmh

7. Whereas 334 political parties listed at Annexure-A enclosed herewith, have been found to be non-existent at their registered address after a physical verification carried out by either the respective Chief Electoral Officers or District Election Officers. Further, these political parties have also not contested any election conducted by the Election Commission continuously for last six years, since 2019; And
8. Whereas, in order to ensure that the principles of natural justice are adhered to, the Chief Electoral Officers (CEOs) of the States and UTs concerned were directed to conduct hearings for these political parties to enable them to appear and submit facts and evidences in support of their case. Notices were served to these parties by various mediums including publication of such notices in local newspapers giving them opportunity to present their case. Subsequently, hearings were scheduled at the level of CEOs; And
9. Whereas, after conclusion of the hearings, reports have been received from CEOs of the States and UTs concerned and after examination of the received reports and other records, it has been conclusively established that the political parties listed at Annexure-A have not been complying with conditions prescribed at the time of their registration as a political party with the Commission i.e. participation in elections conducted by the Election Commission and communication regarding any change in its name, head office, office bearers, address or in any other material matters to the Commission without delay.
10. Therefore, the Commission hereby directs that:
- (i) As a consequence of not contesting elections continuously for 6 years as stated and agreed to by the RUPPs at the time of registration and for not being in existence at their registered addresses, 334 Registered Unrecognized Political Parties as per the list enclosed at Annexure-A shall be taken off from the list of Registered Political Parties.
 - (ii) These 334 RUPPs shall be marked as "DELISTED RUPPs" in the register of RUPPs maintained by the Commission.
 - (iii) These 334 DELISTED RUPPs shall not be eligible to avail any benefit under the provisions of Section 29B and Section 29C of the Representation of the People Act, 1951 read with the relevant provisions of the Income Tax Act, 1961 and the Election Symbols (Reservation and Allotment) Order, 1968.
 - (iv) Any party aggrieved by this order may appeal to the Commission within 30 days of the order.

By Order,

(SOUMYAJIT GHOSH)
SECRETARY
