To

2. The Chief Electoral Officers of all States and UTs

**Sub: Restrictions on presence of political functionaries in a Constituency after the campaign period is over.**

Sir,

Under Section 126 of the Representation of the People Act, 1951, in the period of 48 hours ending with the hour fixed for the close of poll, the campaign will come to an end.

2. During the course of campaign in bye-election, the political parties mobilize their supporters, including from outside the constituency of poll, in order to bolster that campaign. In view of the fact that after the closure of campaign period no campaign can take place within the constituency, presence of political functionaries / party workers / procession functionaries / campaign functionaries etc., who have been brought from outside the constituency and who are not voters of the constituency, should not continue to remain present in the constituency as their continued presence after campaign ends may undermine the atmosphere for free and fair poll.

3. Hence the Commission has directed that after the campaign period is over, the district election administration / police administration shall ensure that all such functionaries leave the constituency immediately after the campaign period is over. This shall be brought to the notice of all political parties, candidates and their agents in order to enable them to comply.

4. The Commission further directs that in order to ensure that the above instruction is carried out, the election administration / police administration may take all necessary measures which may include:

1. Checking of kalyan mandapams / community halls etc., where such people are kept housed and find out whether the outsiders have been accommodated in these premises.
2. Verification of lodges and guesthouses to keep a track of the list of occupants.
3. Set up check-posts in the constituency borders and track the vehicular movement from outside the constituency.
4. Verify the identity of the people / group of people in order to find out whether they are voters or not and establish their identity.
5. This may be brought to the notice of all concerned and ensure strict compliance. Action taken in the matter may be informed to the Commission.

Yours sincerely,
