INDEPENDENT AUDITOR'S REPORT

To
The President
TELANGANA LABOUR PARTY

Opinion

We have audited the financial statements of **TELANGANA LABOUR PARTY**, ("the Party"), which comprise the balance sheet as at 31st March 2019, Income & Expenditure Account and Receipts & Payments account for the year ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

It is the policy of the party to prepare financial statements on cash receipts and disbursement basis. On this basis revenue and related assets are recognized when received rather than when earned, and expenses are recognized when paid rather than obligation is incurred. In our opinion financial statements prepared on cash basis give a true and fair view of the financial position of the party as at 31st March, 2019, and of its financial performance for the year ended in accordance with the accounting standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibility under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the party in accordance with the Code of Ethics issued by ICAI and we fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management for Financial Statements

The Party management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Party in accordance with the accounting principles generally accepted in India. This responsibility also includes design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the Party's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Income & Expenditure Account and Receipts & Payment Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the accounting standards by The ICAI.
